Dear St. Andrew's,

I was overjoyed to receive your generous check for \$1800 (March 16, 2018, #20397). To comply with IRS rules, I must certify that no goods or services were provided to you or exchanged by the Newsome-Bailey Project (NBP), Inc. for this most generous contribution. We are truly blessed by you.

NBP now serves 18 students during the school day (2nd & 5th grades), and another 10-15 after school on Tuesdays in the East End at the Newport Harbor Apartments. This is the largest number of students ever for the Project, and we are thrilled! At the end of this school year we will have metrics on how our students achieved academically. School teachers and staff are telling us they saw great improvement, but our assessment tools will be the real indicator.

As we move into summer, our students will participate in a duathlon, as well as Sports World at PCC in June. We also have a summer reading program lined-up at the Newport News Public Library on Fridays. Your wonderful support makes so much possible for these struggling students.

As a faith-based organization we ask the Lord to direct our steps! Thank you for being a part of the Newsome-Bailey Project. Also, congratulations on St. Andrew's 100th Anniversary!!!

Sincerely,

John L. Crawley, III
