1—2—3—BREATHE

By Terri Polk

Well, it's that time of year again, you know, the time from October 31 through New Year. Time seems to fly by, and there is just so much to do. Get Halloween decorations up...and then down...time to prepare for Thanksgiving...prepare a Thanksgiving menu, shop at the grocery stores (where it seems, no matter day or night, that people are always insanely running around)...there is no good time to shop, just get it done and hope they carry everything you need so you don't need to make another trip. Oh, you have to make sure the house is clean...Thanksgiving is done...turn around, and it is time to prep for Christmas. Shopping, Christmas cards, a trip(s) to the post office, wrapping, decorating, checking and putting up Christmas lights....and the tree...AAGH!!!

1—2—3—BREATHE.

Hopefully, we have learned by now that we don't need perfection. We have wonderful giving opportunities through Operation Christmas Child, the Angel Tree, and preparing baskets of food for the West Valley Food Pantry. Take your time and enjoy your family and friends. Enjoy the Christmas music and Christmas movies with others. **Let's take time to celebrate what the holidays SHOULD be about. Thankfulness and celebration of Christ's being born to save us.**

Wishing you all a wonderful and blessed Thanksgiving and Christmas Season.
