Instead of my usual monthly letter, I am attaching a letter of encouragement from our Bishop of the Grand Canyon Synod, Rev. Deborah Hutterer. As we enter into the final weeks of our Lenten journey and into Holy Week, her letter provides an authentic look at the depth of our common need for Christ's redemption and our total confidence in His saving work on the cross. We respond with resurrection joy expressed in the Lord's prayer; "for thine is the kingdom, and the power, and the glory, forever and ever. Amen!" Love, Pastor Lowell

Who is like God?

Bishop's Letter: March 25, 2019

Therefore if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come. – 2 Corinthians 5:17

Mitch was at the lowest point of his life. From the age of 15, he had struggled with addiction to drugs and alcohol. He was involved in crime, unable to hold a job, and had reached the point that even his loyal wife had given up hope. His cycle of recovery and relapse had continued year after year to the point that he was alone.

I hate to admit this, but we had all given up hope on my son Mitch. And yet, we had not. We continued to hold him in prayer. We prayed that the person he had become would die, and seeds of new life could take root. That Jesus could transform his life to what I knew he was created to be.

When Mitch came to visit me in Arizona last week, we celebrated 5 years of his sobriety. When I asked him what his turning point was, he said:

"I realized...I alone was the problem. I stood in front of the mirror for what seemed like forever staring at myself knowing I was on my last chance and out of options. I either had to stand and fight for my life against this thing that was trying to kill me, or give up all hope and embrace my disease forever. I didn't want to be a failure anymore. Another failed father, husband, brother, son, friend. I went to the meetings and listened. I stopped running an à la carte recovery and did what I was told. Soon people recognized my effort and started helping me achieve my goals."

If you are struggling with darkness, know that there are people in your life praying for you. We, your community of faith have not forgotten you. You are never alone. You are never too far for God. If you are the one watching a loved one who is in darkness, I urge you to keep praying, be persistent.

Dear God, grant me the serenity to accept the things I cannot change, Courage to change the things I can, And the wisdom to know the difference.

Praying for death and glimpses of new life during this season of Lent,

PRESIDENT OF THE COUNCIL

What is this word that has several meanings as do many words in our languages? Is one of our goals to be a welcoming congregation? How do we become known as a welcoming place?

One of the fun things the president of our congregation gets to do is come to the new-member orientation and “welcome” the new members. One of the questions new members are often asked is, “Why did you decide to become a member of American Lutheran?”. Often, the answer is “Because I felt welcome here”. So what happens that can give one this feeling of being welcome?

Sometimes the event happened upon getting out of their car in the parking lot on the first time they visited and someone smiled and greeted them with a cheery “Good morning”. Sometimes the event was when the visitor was sitting in a pew and the person next to them says, “I don’t think we have met. My name is Mary Churchmenber”. Maybe the conversation includes an offer to join for coffee after the service.

The point is we all like to be acknowledged as a person worthy of being noticed. A seemingly insignificant act can activate the feeling of being welcome. Think back to your early times here at ALC. Sometimes we need a reminder that helps us make a difference.

So, I hope you all continue to feel welcome at American Lutheran and will help spread the joy of acknowledging the presence of other worshipers, both new and long time.

DIRECTOR OF MUSIC

The final concert of the season for the Phoenix Chorale is upon us. FRIDAY, April 5, at 7:30 pm, the Chorale presents, “Reflections,” directed by the last of the four artistic director finalists, Brian Schmidt. In the founding years as the Bach and Madrigal Society, the Phoenix Chorale quite literally focused on madrigals and the music of J. S. Bach, along with championing new music. With ‘Reflections’, Brian A. Schmidt brings their 60th Anniversary Season full circle performing J.S. Bach’s magnificent *Jesu meine Freude* (first performed in by the Chorale in 1959), along with John Rutter’s delightful *Birthday Madrigals*. The celebration continues with a variety of music new to the Chorale, with jazz-influenced works by Reena Esmail and Anders Paulsson to name a few, and closes with jubilant spirituals. For tickets call (602) 253-2224 or go online at www.phoenixchorale.org. Tickets will be available at the door as well (although priced slightly higher).

Handbell Ringers of Sun City - Sunday, April 7, at 3:00p.m. present their spring show: **Romancing the Bell**. The ringers will lead the audience on a musical quest to find a precious bell. The ringers search for some clues in a “Blue Tango,” while “Strolling Through the Park,” on the roof of “Chim, Chim Cher-ee,” and “Over the Rainbow”. Who is the mysterious villain who pops up throughout their search? Bob Carlson returns as the narrator and Libbie Randels heads up the “search team”. This handbell show is always a treat. Tickets are \$5 and can be purchased between services in the courtyard or at the door.

TREASURER'S REPORT

Members of American Lutheran have a generous heart: Your regular and special contributions have allowed us to again be "in the black" so far this year! Through the receipt of some special gifts, we were able to give the go-ahead to replace the lawn in the front of the church. This project will save us money in the long run as we have had to deal with repeated leakages in the irrigation system there.

Progress continues in building our two new reserve accounts: One reserve to tide us over during the slower summer months, and the other to position us for unanticipated emergencies like maintenance and repairs.

Debra Hjortland

PLEASE NOTE

The church's **debt reduction/capital fund** and the **general contribution fund** are **two** separate checking accounts. Today our bank has requested that we please ask our parishioners **not** to submit a single check to be **split** between the two funds, meaning having a certain amount go into one fund and the remainder into the other fund. Going forward we ask that you please submit a separate check for each fund. Your cooperation in this matter will be truly helpful and much appreciated.

WELLNESS MINUTE

Life with a Pacemaker

Pacemaker technology is dependable, but there are precautions you need to take including:

*Checking with your doctor about vigorous activity: About four weeks after implantation, your doctor will likely give the OK to resume normal activities. While exercise is encouraged, ask your doctor before starting a vigorous program or sport.

Avoid activities that may involve jarring impact.

- Keeping your card handy: You'll be issued a card containing information related to your pacemaker. Keep the card with you at all times. It can be vital in the case of an emergency and can help resolve problems at security checkpoints.
- Being aware of electrical or magnetic interference: While unlikely, this can affect pacemaker function. It's OK to stand next to a running engine or use household

appliances. Stay a few feet back from equipment such as arc welders, high-voltage transformers or motor generators.

- Walk at normal speed through store security detectors or airport screening though your device may trigger the alarm. Avoid lingering near security scanners. If airport personnel are using hand-held metal detectors, ask them not to hold the device near your pacemaker or request a pat-down. Cell phone use is fine, but don't keep the phone in a breast pocket while its turned on. Let medical teams know that you have a pacemaker. Certain tests or treatments may need to be done carefully or not at all.

WOMEN'S MINISTRIES

The April meeting to make diapers and bandages for Global Health Ministries will be on Monday, April 22, at 1:00 p.m. We will meet in the Fellowship Hall. Please continue to donate white T-shirts of all sizes and white sheets. All donations should be labeled Global Ministries or placed in the Missions Box on the food gathering table in the narthex.

Women's Bible study continues to meet with Pastor Lowell on the first Wednesday of the month. Our next meeting is Wednesday, April 3, at 9:30 a.m. in the Multi-Purpose Room.

Thanks to all who donated Beanie Babies and coloring books for our Operation Christmas Child project. This month we are collecting wash cloths and tennis balls. Please drop your items in the marked red bins in the Narthex and Fellowship Hall.

The Women's Ministries Board wants to thank all of you who have helped with the funeral and memorial receptions during the past 3 months. The families we have served during difficult times have been very appreciative and thankful. They have especially been grateful for the homemade cookies! We still need more volunteers. Sign up in the Fellowship Hall or contact Jan Powell at 323-559-4688.

Pastor Maria Valenzuela sent a note to the women who attended the recent tea thanking them for their donations to her diaper ministry. "I want to let you know that Alleluia received 1950 diapers, 456 wipes, and \$641.00 in checks and cash. Please express our appreciation to all the ladies for their support. Last Saturday, over 160 diaper bundles were given out at Alleluia Lutheran church."

Cactus Conference Women's Spring 2019 Gathering

Dear American Lutheran Church and American Lutheran Church W-ELCA,

Thank you for all you did to give us the perfect setting for the 2019 Cactus Conference Women's Gathering on Feb. 16. Everyone enjoyed going to and being at American Lutheran Church. Thank you to very special people who made the day: The office staff for all the printing you had to do more than once; Debbie Nielson, member of the Cactus Conference Planning Committee, for taking on detail after detail always so graciously and capable; Jan Powell for her energy and leadership on Friday, Saturday and even Tuesday; for the dear ladies who were a delight to work as they set your Fellowship Hall in perfect order, again, more than once; Linda Shirck for playing the organ; Dave for being and doing this and that many times; and Pastor Lowell Nelson for leading communion. Thank you for adjusting as the registrations kept coming in. The ladies were so grateful for those last seats!

Thank you, as well, for your strong, consistent turnout of more than 27 over each of the last three years. American Lutheran Church W-ELCA has been a key player in the Cactus Conference annual women's gathering growing from an average of 90 (1988 to 2016) to an average of 150 (the last 3 years). That includes a 2018 gathering in Yuma, AZ. Please know how very special you are to the Cactus Conference Women of the ELCA. We can never thank you enough!

Again, thank you and God bless,

Geri Skogen, Secretary, on behalf of the
Cactus Conference Gathering Planning Committee

Volunteer Initiative: Leadership meeting for Time and Talent project

Counsel liaisons, group leaders, and/or contact persons are invited to attend one of the two information meetings regarding the use of the information gathered: Choose either April 2 at 11:00 in the Multi-Purpose Room or April 4 at 11:00 in the Multi-Purpose Room. These meetings will include information from both the Data Base Team and the initiative organizers and will explain the process of using the information which has been gathered. To fully benefit from this Initiative, we must *invite/respond* to those who expressed interest to participate in various groups.

A heart felt **Thank You** to all who have completed and returned a Time and Talent Form. As of March 22, 2019, over 225 volunteers have participated in this ministry opportunity. If you have yet to complete this form, don't worry; just return your completed form to the church office, and they will pass your information on to the Data Entry Team.

STEPHEN MINISTRY

STEPHEN MINISTRY CONGRATULATIONS AND WELCOME NEW STEPHEN MINISTERS

Four members of our congregation have recently completed fifty hours of training for Stephen Ministry. This training culminated as they were commissioned at the 4:00 pm worship service on Saturday, March 23. Following the commissioning service, they were recognized and welcomed to Stephen Ministry of American Lutheran Church at a banquet in their honor in our Fellowship Hall. The theme, which the class chose for their induction banquet, was “Many Gifts, One Spirit”. Stephen Ministry of ALC is blessed to welcome Ken Iverson, Judith R. Sellman, Linda S. Shirck, and Jean K. Warren to the Care Ministry Team of our congregation. We would also like to recognize and thank Marlene Cook and Terri Polk, our very capable instructors, and the crew of Stephen Ministers who so graciously planned and served the meal and presented the entertainment and program at the banquet.

HAVE YOU BEEN THE VICTIM OF A SCAM?

ARE YOU CONCERNED ABOUT THE SCAMS AND FRAUDS IN THE NEWS?

Stephen Ministry will learn about scams and frauds which are common in our area on Thursday, April 11, and **YOU ARE INVITED**. Our speaker, Matt Schiumo of the Arizona Attorney General’s office, will address red flags and protection tips. His presentation will cover more than a dozen points of consideration including general rules about fraud, auto repair fraud, spam emails, phishing, pop-up ads, advertising and online dating, home improvement scams, sweepstakes and international lottery, telemarketing, travel scams, friend & family scams, government imposter scams, skimming, and what to do if you are a victim of ID theft. This interesting and timely presentation will be at 9 am in our Fellowship Hall and **ALL MEMBERS OF ALC ARE INVITED**. Following the presentation and refreshments, all Stephen Ministers will meet in their required monthly Peer Support Groups. For more information about this or any Stephen Ministry continuing education program, you may contact Diane Kohler at 623-826-6890.

Neighborhood Groups & Stephen Ministry Liaison - April 2019

Hello Neighbors,

I wish to thank the Congregation of ALC for your confidence in electing me to a vital position on our Church Council. I have big shoes to fill as Chuck Louderback did a superb job for 3 years in promoting and coordinating so many of the Neighborhood Groups activities.

I understand we still have a few groups, which are unable to fulfill their role of neighborliness. This may just be a need to coach a leader into the art of good persuasion. I will be looking into ways to help those groups get off the ground.

Another activity I wish to promote through the neighborhood groups is how we can help ALC achieve its goals of maximizing volunteering to keep overall maintenance labor costs at a minimum. Could a group volunteer time and talents to clean the Sanctuary, or the Fellowship Hall, or even the courtyard? If a group agreed to do this once a year, and we had say 12 groups participating, think how much that would improve the balance sheet at ALC.

Perhaps other activities we could help in are Library, window-cleaning, pew re-stocking, etc.

As the summer migration to other parts of the country is soon to begin, I am planning to have a Neighborhood Group Leader session in early October. I will ask Diane Lewis to help prepare current information for distribution to each group.

I will be very happy to attend any of your group activities from time to time, if I can be of help. I may even bring my wife, Drinda, who loves to meet people.

Stephen Ministry

The interface between Stephen Ministry and the ALC Council is proceeding nicely.

Blessings to sll,

WEDNESDAY NIGHT ALIVE

Greetings to you all from the WNA Committee! As you read this article, two more programs remain for Wednesday Night Alive. The committee will adjourn the middle of April with all openings filled for the 2019-2020 season.

Our hope is that you have enjoyed the programs, the meals, and the fellowship WNA brings to you. For those of you leaving for your “summer residence”, we wish you a safe trip; we welcome you back in the fall. Our annual Gala will be November 13, and it promises to be an inspirational, as well as entertaining, opening night. Please plan to attend.

We want to thank Lori and Dennis Kellar for their leadership of the dinner committee. We also give a huge shout-out to the people who served us dinner each week this past season. What a generous gift they all gave to ALC with their time. We cannot go without also recognizing our wonderful caterers, Jane and Rod Coughlin. Our thanks also to all members who volunteered their time selling dinner tickets. We appreciate all of the A/V assistance from Rolfe Blaess, Dave Tigges and, of course, Tom Ohnesorge. The programs given weekly could not operate smoothly without their expertise on sound and video.

On behalf of the WNA Committee, we want to say thank you for your free-will offerings, memorials and honorariums given to this ALC Outreach Ministry. We cannot present to you quality programming without your generosity.

Have a great summer!

WNA Committee

MEETINGS – ANNOUNCEMENTS - ACTIVITIES

FELLOWSHIP COMMITTEE

The Fellowship Committee will have its spring meeting on Wednesday, April 10, 2019, from 8:30 to 9:30am in Ed Room A/B. At that time, we will sign up to serve on the upcoming fellowship activities for the next six months (June-Nov 2019).

If you are unable to attend this meeting, you may still sign up for events by contacting Madeline Niccore (mdniccore@gmail.com) or Diane Lewis (d.lewis@alcsuncity.org)

I want to give special recognition to the fellowship members who served so faithfully for the last six months. You have done a great job with the coffee hours and Harvest and Yuletide potlucks. Our church community continues to be richly blessed by your service. And a big thank you to all the members of the congregation who have donated money each week at coffee hour. Your donations are paying for the cookies for coffee hour and the meats served at the potlucks. If there are sufficient funds in September, hopefully, we will be able to host a pancake breakfast.

During the summer months, we are in great need of additional help for potlucks and coffee hours because many of our members are snowbirds. Oftentimes, attendees at these activities have pitched in when the fellowship members needed help. Thank you so much for stepping forward and lending a helping hand. Serving on the Fellowship Committee is a wonderful way to meet new people and a great way to say thank you for all the blessings we have received here at ALC in our faith community. New members are always welcome! May God continue to bless you,
Madeline Niccore
Fellowship Chair

ALC Grief Support Group

A NEW DAY - ALC grief support group meets Tuesday at 10 am in the Lounge. It's not necessary to sign up...just show up. We welcome you.

Alcoholics Anonymous

The AA Group meets at American Lutheran Church. These are referred to as “closed meetings”. Closed meetings are for AA members only or for those who have a drinking problem and desire to stop drinking. Meetings are Mondays, 7:00 pm, and Wednesday evenings, 6:00 pm, in Education Room C. For more information, call Judie at 623-337-7747.

Al-Anon is a worldwide, 12-step fellowship which offers hope, support and self-care information to anyone concerned about the drinking or drug use of a friend or family member. It has one purpose: To help loved ones of alcoholics by practicing the 12 steps. Meetings are Tuesdays at 6:30 pm in Ed Room A/B. For more information, call Claire at 507-288-6353, or Nancy at 858-735-7456.

Truckers Needed

We are desperately looking for volunteers to work on our truck **one day per week or one Saturday a month**. The truck is operated 100% by volunteers; but, we often have more trucks than volunteers. We would love to have enough volunteers to run the truck 6 days per week; we struggle to operate 3 days. The truck is key to our ability to provide grants to worthwhile organizations. Approximately 50% of our grants are funded by sales of furniture and appliances, and the truck is used to pick up and/or deliver many of these.

Do you have a social or church group, Bible study, or golf foursome with folks like who to do some “feel-good” volunteering? Working on the truck with your friends is great exercise and an awesome fellowship opportunity.

No special driver’s license required, and not everyone on the truck has to drive! You don’t have to be *Captain America* or *Wonder Woman* (we often have had women volunteers on the truck) to do this great work. The truck has a hydraulic lift, and we have all the right equipment to move furniture in and out of homes.

Consider getting a group together to join us, won’t you? Or volunteer as an individual. Call us today to schedule a “ride-along” with the truckers and see if you can love this job!

THANK YOU

Pastor Chuck and Anita Paulson thank you for all of your prayers, cards and memorials after the death of our son, Scott. All of that and your hugs helped make his memorial service in Santa Rosa, CA, go well.

West Valley Community Food Pantry

On behalf of the West Valley Community Food Pantry, we would like to thank you for your very generous donation of \$1,268.66 on February 5, 2019, from your Super Bowl Sunday member donation. As grocery prices and needs rise, we depend even more on donations from our sister congregations. Everyone at the Food Pantry is a volunteer so the entire donation goes for food. We sincerely appreciate your generosity!
