MESSAGE FROM REV. LOWELL NELSON

Dear American Lutheran Church Family & Friends,

Welcome to March 2019! May God continue to bless you to proclaim Gods love in Christ, invite others to join our church, and be a blessing in both word and deed!

We complete the season of Epiphany on the first weekend in March with the glory of God shown in Christ's transfiguration and then enter the season of Lent. Lent is a season of spiritual growth and as Lent means spring, think spring pruning leading to new buds and branches appearing. Our pruning comes from repenting, which means to turn away from anything separating us from God to turn towards the cross of Jesus Christ. I'm looking forward to Wednesday Night Alive with Education, Dinner and Ash Wednesday/Lenten services beginning on March 6th.

Pastor Chuck & Anita Paulson expressed their appreciation for the prayers, cards and hugs as they mourn the death of their son Scott. Please continue to keep them in prayer for safe travel as they travel to California the second weekend of March for Anita's brother's memorial service and dear Scott's service in Santa Rosa. Also, thank you for praying for my father, Pastor Ben Nelson. As I write this, I am in Indiana to offer support and encouragement to my parents as Dad goes on Hospice care.

Remember, worship is the foundation of our faith community's life; invite a friend to worship! Remember, this is Pastor Chuck's last new-member class starting on March 2 at 9:30 am. Who do you know that would benefit from joining American Lutheran Church?

Carrying over from January, I encourage you to "Go" and use your spiritual gifts. There are so many opportunities to serve in our congregation. Please pay attention to Ann Jones and her team as they lift up ways to use our spiritual gifts in service to others. Whether you are a year-round or partial-year resident, you are "full-time" when you serve in the name of the Lord!

Love,

Pastor Lowell

PRESIDENT OF THE CONGREGATION

Sun City, Arizona, is known as “The City of Volunteers”. It is this attitude of joining forces with others to care for quality of life in this community that contributes to the pleasure of living here.

We have been hearing quite a lot lately about volunteering here at American Lutheran Church; and in this issue of the Outreach, there is an article about a new committee organized to encourage all of us to get involved and a form to list your interests.

So, how does that work, this getting involved? Sometimes we hear of activities for church members. What about those who are not officially members but are part of our community? Is this part of finding our call?

One way to find out what might be interesting is to contact one of the Council members listed in the February Outreach. Or, why not test the waters by attending any of the many functions and activities we read about in the weekly bulletins such the Pastor’s Bible Study on Tuesday morning or any of the Wednesday Night Alive functions.

If you are interested in attending, there is no special status required. American Lutheran is an inclusive organization, not exclusive, and all are welcome. No level of participation is expected either.

So, take a chance and try out the bible studies, WNA or attend a concert or join with others in your neighborhood group to really get a better understanding what ALC is about and maybe take a step in finding your call. Please fill out the form listing your interests. We are excited to get started.

Thanks,

Dick Jorgenson
President

In addition to the PMAZ Chorale and Orchestra, this production will feature Arizona award-winning actors Rusty Ferracane, Trisha Ditsworth, Tommy Strawser and Matt Newhard. Stunning multimedia visuals of majestic beauty and a heart-warming story line will complete the concert experience. Ticket prices for March 23 & 24: Adults \$22; Seniors (65+) and Military \$20. This concert is FREE to attend and a free-will offering will be collected.

TREASURER'S REPORT

Hello! I'm Debra Hjortland, American Lutheran's new Treasurer. I have good news to report: Not only did we have a "balanced" budget for 2019, but so far this year we are over-budget on income and are under-budget in expenses. We are making progress in growing two new reserve accounts: One reserve to tide us over in the summer when revenues decrease more than expenses do, and the other reserve for unanticipated maintenance and repairs. We are up to date on our mortgage payments and have resumed contributing to benevolence. Good news indeed!

We have a new member on the Finance Committee, Harold Moe. Harold brings a wealth of experience in banking and at American Lutheran joining members: Dennis Kellar (Chair), Wally Brambilla, Carol Weber, Pastor Nelson, me, along with Council President Dick Jorgenson. We are appreciative of Harold lending us his expertise.

Please pray for Leslie White, American Lutheran's accounting specialist, who has had significant health challenges these last few months. Her absence, along with Carol Weber's hiatus during tax season, has left the office accounting staff lean. The Finance Committee is working to address this need with volunteer assistance while we look at our long-term staffing needs.

THE WELLNESS MINUTE

Wellness Minute for March Pill Splitting Safety

There may be times that your doctor recommends dividing pills into more than one dose—a practice known as pill splitting or tablet splitting. It's a process that must be done carefully to ensure correct dosing. If your doctor has recommended pill splitting, follow these recommendations:

- **Split as recommended:** Only split pills that your doctor or pharmacist says are OK to split. Most sustained or extended release medications (often those with SR, ER, XL in the name) aren't meant to be split. An exception is metoprolol, which can be split. Don't split drugs that have an enteric coating. Certain drugs also may be more prone to breakage or have active ingredients that are unevenly distributed, making splitting impractical or unsafe.
- **Look for score marks:** If a tablet is approved for splitting, the tablet will be marked to indicate where to cut it.
- **Split one at a time:** It may be tempting to tackle the entire bottle at once, but pills should only be split right before you take them. Split pills may be affected by heat, humidity and moisture.
- **Use a Splitter:** A small inexpensive pill splitter can help you divide a pill evenly. These can be found in most pharmacies. If the shape or size of a particular pill does not allow for a splitter to work, ask your doctor or pharmacist the best way to divide it.
- **Be realistic:** If you're unable to consistently split your pills evenly, ask to have your prescription revised

WOMEN'S MINISTRIES

Mark your calendars for the annual Women's Ministries Salad Potluck luncheon! It will be held on Wednesday, March 21, beginning at 11 a.m. Our guest speaker will be Patricia Schoenfield, the author of The Starve Hollow Affair. Patricia, a resident of Westbrook Village, has written a novel based on the over 600 love letters written to her mother by a secret boyfriend to whom she was engaged. It is quite a love story! Look for the sign-up sheet in the courtyard before and after services. The book will be on sale at the luncheon.

Hear Ye! Hear Ye! Come to the Faire! The American Lutheran Church Women's Faire, that is! This year the Faire will be part of the Women's Ministries March Salad Potluck Luncheon on March 21st. Beginning at 10:30 a.m., volunteers will be sharing displays and information about the many opportunities available for fun, fellowship and service available at American Lutheran. What a fun way to make new friends and to learn more about ALC!

Thanks to all who donated Ivory soap and Kleenex in February for our Operation Christmas Child project. This month we are collecting Beanie Babies or other small stuffed animals and coloring books (70-100 pages). Please drop your items in the marked red bins in the Narthex and Fellowship Hall.

The March meeting to make diapers and bandages for Global Health Ministries will be on Monday, March 25, at 1:00 p.m. We will meet in the Fellowship Hall. Please continue to donate white T-shirts of all sizes and white sheets. All donations should be labeled Global Ministries or placed on the food-gathering table in the Narthex.

Women's Bible Study will meet on Wednesday, April 5, at 9:30 a.m. in the Multi-Purpose Room. Pastor Lowell will be the leader.

The Phoebe circle will continue to meet on the first Wednesday of the month after WELCA Bible Study in the Lounge.

STEPHEN MINISTRY

STEPHEN MINISTRY INVITES ALL MEMBERS OF ALC TO THE 2019 STEPHEN MINISTRY COMMISSIONING and CELEBRATION BANQUET

CONGRATULATIONS! Four members of our congregation will complete their training for Stephen Ministry and two current Stephen Ministers will also complete the training in preparation to become our new instructors on March 21. The new Stephen Ministers will be commissioned at the 4 o'clock service on Saturday, March 23. Following the service, the new Stephen Ministers will be recognized and welcomed to Stephen Ministry of American Lutheran Church at a banquet in their honor at 5:00 pm in the Fellowship Hall. The theme which they have chosen for their reception banquet is "Many Gifts, One Spirit". All members of ALC are invited to attend this banquet to help us celebrate and welcome these new members of our care ministry team. Tickets for the event are \$7.00 and will be available before services on Saturdays, Mar. 9 & 16, and between services on Sundays, Mar. 10th & 17th, as well as in the church office during regular office hours. Please join us in affirming these new Stephen Ministers and instructors.

A SECOND INVITATION TO ALL MEMBERS OF ALC

LEARN ABOUT BRINGING BACK THE HOUSE CALL

Do you remember the time when someone in your home was sick and your doctor actually came to your house to examine and treat the patient? Well that service has come back to our Valley. On March 14, Stephen Ministers will learn about this exciting new program at our monthly continuing education session at 9am in the Fellowship Hall; and you are invited. Michon Jablonski, a representative of **DISPATCH HEALTH**, will present a program explaining all of the services that are part of this new venture. We will hear about how to avoid unnecessary expenses and trips to the ER and just what ailments are covered as well as what insurances will cover this new way of receiving treatment. Plan now to join us and learn how you or someone you know might be impacted. Following the program and refreshments, our Peer-Support Groups will meet for our required monthly meetings.

A NEW PROJECT THE 2019 VOLUNTEER INITIATIVE

Volunteer Initiative Update

We are moving into the third month of the ALC Volunteer Initiative Project. The purpose of this Initiative is to increase the awareness of the many volunteer opportunities here at our church home and in our worship community.

Counsel and ministry group leaders assisted the Committee in developing a new Time and Talent Form. We identify the large groups but also recognized the opportunities in numerous small, less-obvious groups. After many additions and revisions, the final form is the product of nine drafts. It is formatted to allow efficient entry into the Access Data Base that is available here at ALC. Copies for you to complete will be available as a bulletin insert on Saturday, March 2, and Sunday, March 3, in the church office, in a Narthex display, and at several fellowship events. The Volunteer Initiative Committee, Church Counsel, and group leaders have already completed their forms and are willing to assist you in completing yours should questions arise.

Introduction to this form: If you have questions regarding the form, assistance is available.

First Section: Name, address, and preferred phone, and email.

Second Section: Some of your preferences: When are you available, time commitment, and whether or not you are here in the area seasonally or year around?

Third/Main section: Mark all the groups you might like to join as well as the groups in which you already participate. Everyone will have a different level of commitment; we welcome all gifts.

This project is a big undertaking, and the form and the data entry are just a part of this initiative. We must also recognize the many volunteer actions that take place every day. ALC members quietly give of their time and talents with actions that didn't make the big list.

Thank You
Ann Jones

WEDNESDAY NIGHT ALIVE!

As spring looms on the horizon, WNA is going strong. ALC has had some very informative, as well as entertaining programs to finish out the season. We will continue to have programs up through April 17. The WNA Committee is now in the process of obtaining programs for 2019-2020, and we welcome suggestions. If you'd like to recommend something you think would be appropriate for our congregation, please contact one of our members:

Connie Brodland
Van Judd
Alan Olson
Maryanne Winters

Deb Hjortland
Vicki Merlak
Gil Thoele
Tom Ohnesorge

At this writing, we want to say thank you, thank you, for your generous outpouring of donations to our free-will offering after each 6pm program, as well as memorial gifts given to the WNA program. Our congregation is so generous with their gifts and talents and the WNA Committee is grateful. Because we will be a self-sufficient committee, we value these contributions. They will enable us to procure quality programs in the coming year. We trust you are enjoying the fellowship and programs of each WNA and that you will also continue your support with your attendance. As you've heard me say before, it's a great tool to use to invite people to come and get acquainted with ALC, and perhaps become members of our church body.

Pastor Lowell's encouragement about using our God-given gifts has been seen by us first-hand in our church. Between the Talent Show (which by the way, will be among our programs next year) and the WNA programs that have been presented, you can actually see His gifts in motion. If you missed WNA's presentations of Nicole Pesce, pianist and 12-year-old Jonathan Okseniuk, violinist prodigy, you missed really big! They are proof that God gives extraordinary gifts to individuals for everyone to enjoy. The WNA Committee works with passion to find a broad range of programs; and our hope is that you will plan to participate, if you haven't, and continue to attend, if you already are doing so. You will not regret it!

A new brochure for March/April programs is available, please be sure to pick up a copy. Programs and meals will also be printed in the church Bulletin each week, on our church's website, and on the screens each weekend -- you can't miss the information. We are now going into the LENTEN season, so beginning March 6, that service will be at 6pm. It's hard to believe that Easter is approaching! WNA is moving into it's last weeks of programs. See you on Wednesday nights...

Maryanne Winters, WNA Chair
