

## WNA April 3, 2019

### **4:30 pm A/B**

In today's hi-tech medicine world, influenced by computers, business models and governmental influences, the lack of patient focus is a common complaint by both patients and physicians. Dr. Eric van Sonnenberg tells us how to optimize and harmonize interactions with your doctor.

### **4:30 pm Sanctuary**

Tom Ohnesorge will present "The Bible and Handel's *Messiah*" - Part 1. What inspires great music? Can great music inspire our study of scripture? Come and experience a wonderful way into the Bible using Handel's oratorio, *Messiah*, as your guide. You will come away with a deeper understanding of both the words and the music of *Messiah*.
