

WNA March 27, 2019

4:30 pm Choir Room

Tom Ohnesorge, ALC Music Director will present “The First Days of Christianity” Part I - A video drawing upon visits to sacred sites, examinations of ancient texts, and the wisdom of renowned theologians, you will be taken beyond the Scriptures to explore the real lives of the real men whose faith has inspired the world for two millennia.

4:30 Sanctuary

Where does water come from, where does it go and will we have enough? Doug Dunham, Water Resource Manager with EPCOR Water Company, managing water supply systems in Texas, New Mexico and Arizona. He will give an in depth presentation about water in Arizona and its future for those of us who live here.
