

## ***Special Notes:***

- *Make sure to reread the Revised Ministers of the Word Guidelines. There are some important changes!*
- *Always check off your name on the list in the Sacristy.*
- *If there are 2 Lectors, make sure to “touch base” with the other lector before mass. Be prepared to read both readings just in case!*
- *If a reading has 2 versions/choices, ask the presider which reading to proclaim. (It’s wise to prepare both choices before mass!)*
