Debt Management and Bankruptcy

As a general rule, there is no cost for the credit and/or budget counseling if the consultation results in a debt management plan, the only cost to the client is \$15 per month to help cover our cost of processing the payments and transmitting the funds to the creditors. If the client is filing bankruptcy which requires pre-filing counseling and pre-discharge education, there is a fee but the fee is based on whether it is a single or joint filing.

Our organization is composed of caring
active women who want to make an impact
in the lives of others in our community. We
contribute thousands of volunteer hours
and thousands of dollars as we strive to
improve the mental, physical, social, and
emotional well being of children in Taney
County.

OWN IT (Ozark Wellnes Network)
The Ozarks Wellness Network (OWNit)
coalition is a network of local health and
wellness agencies serving both Stone and
Taney counties. OWNit aligns health and
wellness initiatives based on identified
health priorities. By pooling resources and
working together, OWNit hopes to create a
healthier community. Contact us
