Below please note my self nomination for Presiding Bishop Nominating Committee as Lay Deputy from Southern Virginia. Please feel free to edit as needed.

I am a child of God and thus use the gifts given to me to serve my parish; All Saints' Virginia Beach as Senior Warden, Delegate to Diocesan Council, member of the Altar Guild and Justice Seekers (a parish group discussing racial reconciliation, mass incarceration, positive and negative stereotyping and more), and Life member of The Union of Black Episcopalians (UBE).

In the Diocese of Southern Virginia, I am a Trustee of the Diocese, member of The Commission on Ministry, and Repairers of the Breach. I have served on the Bishop Search Committee. I was honored to be elected in 2014 & 2017 serving as Deputy to General Convention.

Currently on the national level I serve as a board member of The Episcopal Women's History Project. I have been one of the Episcopal representatives to the National Council of Churches in Christ, The National Standing Commission of Ecumenical and Interfaith Relations and National Secretary and National Registrar for UBE.

In my prior diocese of Western Michigan, I was the First Alternate Deputy to the 2000 & 2003 General Conventions, Diocesan Dispatch of Business, Vice President and Secretary of the Standing Committee, as well as many positions in my home parish of St. Philip's Grand Rapids.

As a certified registered nurse, I am the Clinical Manager of an Inpatient Rehabilitation Unit at a Level One Trauma Center. My work consists of managing, organizing and working collaboratively with other disciplines in providing care and functional independence to our patients struck by catastrophic illness and or disease. Working in this diverse environment lends to interacting and working in the diversity of the church.

In feeling the continued call on my life to serve the church in the Lay order, I am seeking election for Lay Province III representative to the Presiding Bishop Nomination Committee. As a 2015 deputy, I was assigned Dispatch of Business where the daily convention calendar is set. Days are long and can be arduous, but participating in the work of "the" church is amazing, exciting and a gift which I strive to continue to serve in.
