

In 2018 Province III sent just over 100 youth and adult leaders to the Provincial Youth Event at Ocean City Youth Rally (PYE @ OC) in early January.

In September, the youth missionaries from Maryland, Pennsylvania, Bethlehem, Western PA, and Easton met together at the annual Diocesan Youth Workers of Awesome conference – this year in St. Louis. We gathered with others doing similar work from around the country to network and share ideas. We also heard from speakers on a variety of topics including safeguarding and suicide prevention. The Province paid for a dinner on Tuesday night when we had our annual meeting to review budget and ideas for 2019.

In 2019 we are planning a weekend long pilgrimage to address racial reconciliation. Exact name TBD. We decided that we would use a Washington DC to Philadelphia route this year, knowing that there exist a plethora of options across Province III that we could use in future years. We hope each diocese will select someone to serve on the planning team (meetings via zoom beginning November) and have scheduled the event for Oct 11-14, 2019.
