

Getting into Heaven

A fellow finds himself in front of the pearly Gates.

St. Peter explains that it's not easy to get into heaven.

There are some criteria that must be met before entry

is allowed. For example, was the man a church-goer or

religious? No? St. Peter told him that's bad. Was he

generous, giving money to the poor or charities? No?

St. Peter told him that too was bad. Did he do any good

deeds, such as helping his neighbor? Anything? No?

St. Peter was becoming concerned. Exasperated, the

Saint says, 'Look, everybody does something nice

sometime. Work with me, here! I'm trying to help.

Now think!' The man thinks for a minute, then says,

'Well, I did help this old lady once. I came out of a store

and saw that a dozen Hell's Angels had taken her purse

and were shoving her around. I threw my bags down

and got her purse back, then I told the biggest biker

there that he was cowardly and spat in his face.'

'Wow,' said St. Peter, 'That's impressive! When did this

happen?' 'Oh, about 15 minutes ago,' replied the man.

I can do
ALL THINGS
THROUGH
CHRIST
which strengtheneth me.
