

SERMON NOTES

- 1) List some of the times when you know that you received divine assistance.

- 2) What would you do if you knew that your final days were already here?

- 3) What would be on your list of things to live for?

- 4) It matters little how we see ourselves reflected in the mirror or how others might evaluate us.

We are not here to fulfill the projected unfounded expectations that others might have for us.

We are here to be true to how God sees us.

What matters most is how our lives would be reflected in God's eyes.

What matter most is what would delight those divine eyes.

- 5) How would you live your life differently if you were told that you were the Messiah?

- 6) Who are your "unlovable" neighbors, your "enemies," that you have trouble loving?
(Remember, Jesus loves them, so can you.)
