

**Spring 2019 Confirmation**  
**Mentor-Confirmand Guide #2**

**Icebreakers/Get to know (both share):**

1. What are your favorite places to eat out (whether in town or out)? Who do you most look forward to sharing a meal with? (Examples: grandparents, friends, teammates, significant others, new people, etc.)
2. What are the two or three things you feel take up most of your time?
3. What part of a worship service do you look forward to most?

**March 24 - 31 Session Discussion**

4. What are some things that stuck out to you from class about how we as Christians worship?
  - a. What does it mean to “worship”? What are the purposes of gathering together for what we call a “worship service”?
  - b. If you had to choose 5 things that you feel would make a worship service “complete,” what would they be? Why? Are there others (beyond the 5 you mentioned) that you feel are important enough to include? Could you hold a service with less?
  - c. Would you be interested in leading any part of a worship service? If you could lead any part, which would excite you the most? (Of course some of them are already leading through music, etc...!)
5. Read **Hebrews 10:24-25**. What are some benefits of gathering together as believers?
  - a. How do you plan to remain involved in services and gatherings this church offers, after you finish confirmation?
6. What, in your own words, is the reason Christians celebrate communion?
  - a. Can you remember the first time you took communion? What about it is meaningful to you? Do you think it has strengthened your faith, and if so, how?
  - b. Christian churches and groups differ in some ways from each other in how they celebrate communion. Can you think of some of the differences? What are the “must haves” to practice it as it was meant?
  - c. Why do you think the Bible repeatedly uses the idea of a “meal together” to teach or represent something?
7. What, in your own words, is the importance of Baptism? *(For a little more depth read **Romans 6:4, Col 2:12**)*
  - a. Do you remember whether you have been baptized or not? If you can remember it, what did it mean to you?
  - b. If you haven’t been, do you sense it would be important for you to do so? When is someone “ready” to be baptized? What commitment does it announce to those who witness?
  - c. Do you have a preference on how you would like to be baptized, and why?

**Take prayer requests and close in prayer if comfortable and if time allows!**
