Overall view.....

Thanks for visiting Oak Ridge United Methodist Church! If you are currently seeking a church family for worship and fellowship, I invite you to consider ORUMC. You will discover here a congregation of Christians, not perfect but forgiven and growing together in the faith journey. We offer a wide variety of children, youth and adult classes, ministries and opportunities.

ORUMC currently has just over 1,550 members with an average of 518 in worship on Sundays. The church is orthodox and evangelical in theology with a passion for outreach, missions, discipleship, fellowship, and worship. ORUMC opened a 28,000 square foot Family Life Center in November, with a goal of continuing to build a strong youth program in it along with all other ministries.

We welcome visitors and invite you to get connected!
