

Don't Wait - Vote Safe

As Election Day rapidly approaches, I want to make sure that every resident has a plan to safely cast their ballot in this historic 2020 election. In order to protect our residents and election administrators, Prince George's County is strongly encouraging voters to vote by mail in the 2020 General Election. We are also urging voters to put in their request for a mail-in ballot as soon as possible.

The State Board of Elections will mail ballot applications to all registered voters starting this week. If completing a paper application received in the mail, please remember to fill it out completely and sign it, and then return it in the prepaid envelope provided. Voters can also request a mail-in ballot by going online to elections.mypgc.us or elections.maryland.gov, or by texting VBM to 77788. Finally, voters can complete and return a mail-in ballot application in person at the County Board of Elections or drop off a completed application received in the mail. The County Board of Elections is open Monday-Friday from 8:00 AM to 4:30 PM, and is located at 1100 Mercantile Ln, Suite 115A, Largo, MD 20774.

All ballot requests must be **received** in the Prince George's County Board of Elections office by Tuesday, October 20, 2020. Actual ballots will be mailed by the end of September. Also, if you are not yet registered to vote, be sure you do so by October 13, 2020. Please visit elections.maryland.gov to register online or call 301-341-7300 to receive a voter registration form.
