## MORE THAN ENOUGH

Hurricane Ian made it abundantly clear that St. Richard's has more than enough. More than enough space to continue almost all of our ministries even with the office and classrooms under construction. More than enough volunteer hands to come together when needed. More than enough prayers to bolster our spirits after the significant damage our facility sustained.

After the storm and throughout the year, you are generous with your ideas, your funds, and your time to our community. Every dollar that we raise, every minute of volunteerism, every good plan, comes from the heart and goes toward our mission to discover God's grace, change our lives and change the whole world.

Our pledge campaign this year focuses on the miracle of sharing, the ways in which our means meet the needs of our congregation and the world, the ways in which we respond to the Gospel, and the ways in which we sustain our community. St. Richard's has been a wise steward of our resources throughout the years, and we are committed to growing in wisdom in 2023 as we manage the repairs we need to make and continue to use our space in innovative ways, so that our property supports the congregation instead of the congregation supporting the property.

Our whole community is filled with inspiration and action. You are that inspiration and action, without whom our church and our ministry would be diminished.

In Abundant Gratitude,  
The Rev. Alison P. Harrity
