

FROM THE PASTOR

The Big Invite

I love my church! It was a delightful day of worship, fellowship and celebration! I cannot wait to assemble again. In the meantime, consider one another throughout the week. If the Lord puts someone on your heart, take the initiative to contact them in an encouraging way.

Easter is just around the corner and we are getting ready for the big invite! We have invitation cards that we would like to distribute throughout the community, and I am asking that each member consider giving out at least ten cards before the big day. The task is easy, and the results could be incredible if we will embrace the initiative.

Thank you for all the love and support you have given my family and I during this time of separation. It was an enjoyable weekend being able to see them.

I love you all,

Bro. Chris

Please have all supplies purchased by the end of February. There will also be some take home craft/decorating projects along with instructions, to help us get ready to GO WILD. Training Opportunities

As we start the new year, if you need Driver Safety, CPR or Darkness to Light training, please let me know. I am hoping to get a list of individuals in need of these classes to have them scheduled.

You are in need of Driver Safety Training if you desire or need to drive the church van, it has been over a year since you last took a class, or you would like to receive a discount on your personal car insurance.

You are in need of Darkness to Light training if you volunteer in Wednesday night or Sunday morning children's classes and have not attended before.

Wednesday February 13 we will have supper in the youth building at 6. We will also be having a Bible study and play games. Invite your friends to come.

February 15th-17th is DNOW. The theme this year is called RENEW. It is going to be a great weekend you don't want to miss. Invite your friends to come. Please let me know if you can come and if you have any friends that want to come. I will have a sign up sheet, so I can figure out age groups and who will be staying at which host home.

Also on Wednesday nights we are getting the youth praise band started back up so if you play an instrument or like to sing contact me for more information.

On Sunday morning I am still looking for instrumentalist for the early service at 9:00a.m. to help lead worship. If you are interested please contact me. I greatly appreciate it.

Blessings,

Austin
