

# Frequently Asked Questions

- **What is Unite, Renew, Revive?** **UNITE, RENEW, REVIVE** is the name of our campaign to invest in our church by renovating and regaining critical ministry and fellowship space.
- **How much is this going to cost?** We seek to raise at least \$750,000 — this is the minimum needed for the critical projects in front of us. The more we raise, the more we will be able to invest in our vision and our facilities to ensure that Parkway flourishes into the future.
- **It seems like the previous contractors should pay for our Fellowship Hall repairs—why are we doing a campaign for this?** The Properties Committee is negotiating with the tile manufacturer and the company that did the actual installation. The installer will be responsible for taking up the tiles and installing the flooring once the moisture barrier is installed. Parkway will be responsible for the process of sealing the concrete slab foundation to prevent moisture wicking through the concrete. We want to invest in our future and restore our Fellowship Hall as soon as possible!
- **Why now? Is this really the best time to take on a challenge of this size?** Absolutely! The inability to use Fellowship Hall has impacted our ministries significantly. Remember, Fellowship Hall has two problems that make it unusable: the lack of reliable air conditioning and the flooring. Also, Parkway will be going through a transition in pastoral leadership. We don't want the new pastor to be saddled with overseeing repairs to the physical plant. Just like preparing a house for sale, we want to be able to attract the right person for the position and we want the upkeep of the building to be an asset. Our ability to attract the right senior pastor will be enhanced if our finances and facilities are in working order. We want to move boldly ahead into the next season of ministry at Parkway!

- **How long will I have to fulfill my commitment?** This is a three-year campaign and we hope to have all pledges fulfilled by May 31, 2026.
- **What if I need to adjust my pledge due to a change in my finances?** Obviously circumstances change. Please call the church office and we can adjust your commitment.
- **Can I pay my pledge using assets such as stock?** Yes, Parkway welcomes non-cash gifts such as stock and property. Please contact the church with any questions about this.
- **When do we start giving toward our commitments?** We will officially begin giving together on May 28; although, you are welcome to begin earlier.
