Mr. & Mrs. Meyer

## Featured Teacher: Mrs. Meyer, 5K, interviewed by Ariana in 7th grade.

Mrs. Meyer teaches one of our Kindergarten classes. This is her 3rd year as being a part of Holy Apostles teaching staff.

Mrs. Meyer likes to cook, binge watch shows on Netflix, play board and strategy games, and spend time with her nieces and nephews in her free time. Her favorite food is eggs benedict florentine. Her favorite restaurant is La Masa Empanada Bar.

Mrs. Meyer likes working at Holy Apostles because the staff is friendly, and she likes being able to see the kids and teach them something new every day. The best advice she has ever been given is to be the change you want to see in the world. Mrs. Meyer has always wanted to be a teacher. Before teaching, she used to work in theater, but she decided to pursue her dreams of being a teacher.

Thank you, Mrs. Meyer, for being one of our school's kindergarten teachers, and have a great school year!

"I kept finding excuses not to go to the conference, but another Holy Apostles father finally convinced me. I am glad he did because I really enjoyed my first conference. It is a powerful experience to listen to motivational speeches, say confession, pray, and socialize with hundreds if not thousands of Catholic men from the Milwaukee area. It was great to share my pride to be Catholic and to reenergize my relationship with my friends, family and most of all, God."

- James Hubacek, HA father of 3
