Holy Apostles will be participating in a parish-wide survey! Holy Apostles will be participating in a parish survey about discipleship conducted by the Catholic Leadership Institute!

Starting on February 23rd, please help us by participating in a 10-15 minute survey online. The survey can be accessed at www.disciplemakerindex.com from February 23, 2020 to March 23, 2020 and will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish's efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as whole.

We are trying to get the highest response rate possible. This information will be invaluable to Fr. Don, staff, our parish leadership and various ministries as we plan for the future and strive to be the best disciples we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

Thank you for helping with this important project!

Most of us shop on Amazon... consider shopping smile.amazon.com and adding Holy Apostles as your designated charity. A portion of your purchases will go back to our community! It's easy and a great way to support HA! Check the parish [bulletin](#) for details.
