Holy Apostles School Technology Sponsorship Program – Sign up Now!

As we mentioned in August, we believe the availability of dedicated student devices is more important than ever and know it is crucial to support the needs of our students and teachers. **Our parish has invested over \$130K to help us achieve this goal of a 1:1 technology to student ratio. We are beyond grateful for their support!** Tablets for 4K-3rd grade and laptops for 4th-8th grade have been delivered and are being processed to ensure they are secure and compatible with our programming. All devices will be ready to use after Thanksgiving.

We invite families with 4K-3rd grade students to consider sponsoring the school's investment in tablets by participating in an [OPTIONAL Tablet Sponsorship Program](#).

Details:

- The device model is the [Lenovo M10 Plus](#) which is part of a durable, education line of tablets. These tablets will work well with Seesaw and our other programs
- The optional tablet sponsorship program will be \$20/year. In choosing to sponsor, your child would have the ability to bring their tablet to and from school or use it in a virtual learning situation.

Benefits:

- Your child would have the ability to take the tablet home as needed for projects/ homework or if a virtual learning situation occurs.
- The device is confirmed to work well with Seesaw and other primary grade programs.
- The device will be insured and managed by the Holy Apostles Technology Coordinator, who will support, troubleshoot, or swap out devices if a problem occurs. If excessive repairs are necessary, a cost may be incurred to families.
- The devices will be monitored by Holy Apostles through Microsoft Intune.

We would like to invite families with 4th-8th grade students to consider sponsoring this technology by participating in an [OPTIONAL Laptop Sponsorship Program](#).

Details:

- The device model is the [Dell Latitude 3190](#) which is part of their durable, education line of laptops.
- The optional sponsorship program will be \$175.95/year for 3 years. Our fees are determined based on our actual costs. We will be passing on our bulk/nonprofit discount directly. You will have the option to pay each year in full or make periodic payments online.
- At the end of the 3-year program, you would have the option to buy the laptop for a small fee of \$25 or turn it in and continue sponsorship of a newer device the following year.
- Families would have the option to sponsor the full device cost up front if interested.
- Devices will be serviced over the summer during a predetermined two-week window. More details will be made available on this process in the spring of 2021.

Benefits:

- Your child would have the ability to take their laptop home as needed for projects/ homework or if a virtual learning situation occurs.
- The device is confirmed to work well with our school technology and networks.
- The device will be insured through Dell and managed by the Holy Apostles Technology Coordinator, who will support, troubleshoot, or swap out devices if a problem occurs. If excessive repairs are necessary, a cost may be incurred to families.
- The devices will be monitored by Holy Apostles through Microsoft Intune.

Start the sign-up process and complete the agreement by logging into your myHANB Account [here](#). If you have not logged into your myHANB account, you may need to reset your password. Find details and FAQ's [here](#).

Learning and growing ...

Neighboring Summit – Being An Ordinary Neighbor with Great Love—Join us THIS Saturday, Nov. 14th in the morning to develop our neighboring skills, so that we might make Christ known among our neighbors. On this day, we will encounter Jesus Christ in the story of the Woman at the Well and learn how he formed St. Therese of Lisieux into an ordinary missionary to her fellow sisters in the convent. Join us as Margaret Rhody and Jay Landry lead us through encountering Christ in prayer, Scripture, and small groups, immersed in Jesus' abundant love that heals our fears and makes us ordinary missionaries to our neighbors. Jesus sends us to build relationships with them while He works through us to make them his disciples, just as He did with the Woman at the Well and St. Therese. The day starts at 8:30 a.m. and finishes around 12:30 p.m. Please join us! The zoom link is included in the flier. See you there!

Alpha Anytime, Anywhere Do you want to get to know Christ in a relaxed, yet deeper way? A great way to grow closer to Christ is through Alpha.

What is Alpha? Alpha is a series of interactive sessions that freely explore the basics of the Christian faith. How does Alpha work? Alpha is 11 weekly sessions plus time away in the middle. Each session includes time to get to know new people, time to watch a video and time for discussion of that video. All are welcome! We encourage you to invite people you know from the parish, outside the parish, or even outside the Catholic Church to join you.

When? Anytime, Anywhere! We are in the middle of our first virtual large group sessions of Alpha, and are looking to start up new, smaller groups both virtually and in person. We have two group times available with some flexibility on Sunday, Monday, or Tuesday evenings. Or, if you are interested in bringing your own group together, we can help facilitate that. All are welcome Anytime, Anywhere!

Please contact Terri Engsborg, tengsberg@hanb.org or call (262) 786-0472 if you are interested, if you have questions, or would like more information.
