Back by popular request is an indicator for students in grades 6-8 that are available for babysitting. There will be a checkbox next to eligible students' names when you verify your information.

A babysitter list is also being put together for HA parishioners that request babysitters' names. When indicating yes to babysitting for the directory, a pop-up message will give the option to be included in the parish babysitting list. This list will only be shared with parishioners that have requested the information.

Information not updated by MONDAY, SEPTEMBER 9TH will be printed as currently on file.

BOX TOPS HAS GONE DIGITAL!! (If you still have clipped Box Tops we will still accept those too. Please send them in to the school office.)
