

Book Review #3

This week the task force will be reviewing just one book: ***LOVE IS THE WAY: Holding on to Hope in Troubling Times***, Bishop Michael Curry, presiding bishop of The Episcopal Church.

In his most recent book, Bishop Curry shares with us his personal story, his deep faith and his absolute conviction that love is the only way to mend our country and our planet Earth. The love that he writes about has to do with action, not sentiment. It is a love that seeks the good and well-being of others, of society and of the world. The book is both inspirational and pragmatic. The moving lessons from his own life's journey serve as guideposts for the reader. This book from our presiding bishop is a "must read" for our parish as we live into the part we will play in dismantling racism.
