

Good Shepherd Volunteer Opportunities

Adult Acolyte Volunteers

During the summer, we have fewer acolytes. Therefore, it's the perfect opportunity for adults to volunteer in this ministry. No experience is necessary! If you'd like to serve as an adult acolyte, please contact Charlotte Sullivan: casullivan@sfasu.edu or 422-4748. We hope you'll join the ranks!

Summer Fan Drive

Good Shepherd will be participating in Family Eldercare's annual summer fan drive again this year. Please drop off new or gently-used fans at the church office. Our volunteers will get them to Family Eldercare for distribution this summer to the elderly who do not have air conditioning.

This year, the preferred fans are the 20" box fans available for \$12.99 at Home Depot, and two fans are usually supplied for the sleeping area of someone in need. This allows for cross ventilation. You may also drop off a check made out to Family Eldercare at the church office. \$13 buys one fan, and \$25 buys two.
