Covid 19 and BYG

Covid 19 is an air-borne virus that has severe consequences for many who are diagnosed. With this in mind, each youth and his/her parents must consider whether or not to participate in youth at this time. If you feel comfortable, we hope you will join us for the activities listed in this newsletter. If you have an underlying health condition, or feel it best not to meet together, you will always have a place in BYG and will be welcomed when you feel comfortable in attending. If you do not wish to meet at this time, please let me know and we will stay in touch electronically. Upon returning, you must agree to these Covid-19 guidelines:

- Masks must be worn at all times.
- Social distancing of at least 6 feet must be maintained.
- We will practice good sanitary practices with equipment, seating, etc. You may be asked to assist.

Remember, you are a vital part of our BYG program! We miss you and can't wait until we are ALL together again.

Welcome New BYG Members:

- Gabriel Holland
- Peyton Coplin
- Avery Barnet

Do you know anyone else who might want to join BYG? Text me their name, grade, phone, and address.

Prayer and Praise Meetings

What is going on? Racial tension, riots, looting, officer involved shootings, Covid-19, Masks vs No Masks, Democrats vs Republicans, Trump vs Biden.... What a crazy world we

are living in... GOD, Why Don't You Do Something? He did. He created us. He calls us to do something. We are going to start doing something by joining together in prayer. Join us Wednesday evenings at 5:30 for a time of prayer and praise. Let's listen to God's call to us. I hope you can join us.

September 23, 30, October 7, 14,21,28
All Prayer Meetings will be from 5:30-6:30.

Parent Orientation:
Parent Orientation for BYG 2020-2021 will be on Sunday, September 27th at 5:30 in McArn Hall. Please make plans to attend.

Attached to the email of this newsletter is the 20-21 Registration form for BYG. Bring it with you and save lots of time!

New Member Orientation

New Youth Orientation!
Are you new to BYG this year? We will have a youth / parent orientation on Sunday, September 13, at John Gardner's house, 1815 Brevard Place. We will meet at 5:30.

Meal Time: We are asking families and friends to provide meals for the youth again this year. Instead of sit-down meals, we hope to have pickup foods so we can social distance and not sit around a crowded table. We would like foods easily eaten from our laps! If you would agree to provide a meal, please let John Gardner know through email or text. Thank you.
