# THE QUARANTINE GUIDE TO FAMILY DISCIPLESHIP

---

PASTORS ANDREW & SAM

# *A WORD TO PARENTS*

---

We are so excited to provide you with this resource for the discipleship of your family. We're proud of you, and we're praying for you as you seek to faithfully lead your family!

This guide has been designed for family discussion after the Sunday morning worship service.

Begin with a short & simple prayer asking for God's blessing over your time together.

There will be an Icebreaker as well as three prompts designed to encourage you to REFLECT, LEARN, and DREAM together.

We've broken some parts of this guide down for KIDS and STUDENTS specifically, but you ultimately know the best way to communicate with your family. Use this guide in the way that works best for you!

Yours,  
Pastors Andrew & Sam

# *ICEBREAKER*

---

**SAY:**

We have been settling into a new normal over the past two weeks.

**ASK:**

STUDENTS:

What has surprised or challenged you?

KIDS:

What has made you angry or scared?

Has anything caught you by surprise?

# 1: REFLECT

---

## **SAY:**

“Jacob walked away from his wrestling match both limping and blessed.”

## **ASK:**

STUDENTS:

How are you limping?

How are you blessed?

KIDS:

What's bothering you?

How has God comforted or helped you?

## **PARENT TIP\*\*\***

Think of our limping as our struggles. They could be mental, physical, emotional, or spiritual. Limping is about why we hurt.

Blessing, though, is about God's redemptive work (how he is bringing healing). It's about what He is doing. It's about what is going right in the world.

## 2: *LEARN*

---

**ASK:**

STUDENTS/KIDS:

What hope do we have in the middle of our struggles?

**RESPONSE:**

We have hope that Jesus Christ has made us a new creation and has given us a new identity that is not defined by our struggles.

## 3: *DREAM*

---

### **ASK:**

STUDENTS:

How can we walk away changed by this event in human history?

KIDS:

What do you want to see God do? How can we be part of that?

### **PARENT TIP\*\*\***

Think about how Good could use this to bring your family closer to Him and closer to each other. What holy habits could your family practice? (Things like praying, reading through a portion of the Bible together, etc.)

# *PRAY*

---

Close or your time by praying over your family. If possible, ask your kids to pray too. Pray for your family according to how they are limping. Praise God for the ways you are blessed.
