

St. Paul Lutheran Messenger

Volume 2020 Issue 5

May 2020

Our Mission Statement:

“To Grow in God’s Word and Share
God’s Love”

Our Core Values:

1. Building community inside and outside of our church building.
2. Nurturing and developing faith lives for all ages
3. Serving Others (in our neighborhoods, community, state and beyond)
4. Caring for our members and church building.
5. Investing in children, youth and their families.

In this Issue:

Pg. 2 Pastor’s Pen

Pg. 3 Dan’s Den

Pg. 4 Health Minute

Pg. 5 From the Office

Pg. 6 Social Concerns

Outreach Update

Pg. 9 Memberships & Grants

Pg. 11 The ChatterBox

Pg. 12 Events & Updates

Pg. 13 Calendar

“But seek first his kingdom and his righteousness, and all these things will be given to you as well. ³⁴ Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.” Matthew 6:33-34

Back to the Basics

Back To the Basics was a book that my Mom used to leave out on the coffee table, and I would spend countless hours reading through it. It was published by Readers Digest, and it taught all kinds of basic skills when the majority of people in America still worked with their hands and lived close to the earth. It was a simpler time when things like family, community, good friends and the church played a prominent role in peoples lives. It reminds me of an old Shaker tune, Tis a Gift to Be Simple.

‘Tis the gift to be simple, ‘tis the gift to be free, ‘tis the gift to come down where you ought to be. And when we find ourselves in the place just right ‘Twill be in the valley of love and delight.

When true simplicity is gained To bow and to bend we shan’t be ashamed To turn, turn will be our delight ‘Till by turning, turning we come round right.

Of course the “simple” are those who are humble, and follow the teaching of proverbs 3:5-6, *“Trust in the Lord with all your heart and lean not on your own understanding in all your ways submit to him, and he will make your paths straight.”*

It’s the last line of the song, though, that caught my attention: *“till by turning, turning we come out right.”* It seems to me that for the past few decades we’ve been turning, but in the wrong direction. I think the 70’s were referred to as the “I” generation, and the 80’s as the “me” generation, the 90’s as the “greed” generation, and before the world was turned upside down recently you might say the current times were about the

self-entitled, self-indulgent and pretentious generation.

But now everything has changed, and even though we grieve for those who are suffering, I can see that hand of God at work in people lives turning us around so that on the backside of this pandemic we might come out right.

I’ve had a lot of conversations with people lately who have told me that since the pandemic and “shelter in place” order their focus and priorities have shifted. No longer are shopping malls, athletic venues and stadiums the churches and cathedrals on Sundays. People and families are seeking God, and they are spending more time together and finding a new and healthy rhythm to life as they get back to the basics.

I see people walking, planting gardens, talking to neighbors (from a distance), and instead of firing off emails, and text messages people are actually sending letters and calling each other – because they aren’t so busy getting caught up in worldly things, they have more time to care for each other.

When Jesus taught that the kingdom of God was at hand in a way he was calling people back to the basics of life and faith – Seek first the kingdom of God and his righteousness – and things will turn out right in the end. But when we forget that basic lesson we get turned around in the wrong direction and experience worry and anxiety instead of peace.

I don’t know how long the pandemic will last – I hope it will end soon – but I also don’t want for us to squander this time. Now is the time to embrace the simplicity of a Godly life, to ensure that Jesus is at the center of our lives, and pray that God will enable us to help lead others back to Jesus. If we do that, I not only believe we will begin to see more and more holistic healing take place, but we will be ready for the future that God desires we live into for God’s glory.

Easter blessings,
PF

Dan's Den

Hello Friends and Families!

This past month has brought a lot of transition for us all. As we settle into new routines and schedules, I hope you are all finding ways to be joyful, restful, and present with the people around you! If you have not already, both Sunday School and Connect has a google classroom platform where we have posted devotions, lessons for home, and a space to ask questions and ideas for the others! The classroom codes for both of those are at the bottom of this page.

St. Paul has started an Instagram!

The purpose of this platform is to reach the community of St. Paul in new and different ways. It's second purpose is for the youth, as they are more likely on that platform, I am using it as a way to post updates for them! It is for all ages but be aware the posts for the time being will be aimed for the youth's programming!

Sunday School

Join us Virtually!

Alida and I have been putting together a fun Zoom get-together for all families! This event will include a fun scavenger hunt, a sing-along, and other fun activities to do with the whole family! This will be held on Sunday May 10th at 2:30 pm, YES Mother's Day! It will be about an hour of fun! There is no obligation of how old you are for this event, only that you are willing to be out of your seat!

For those who cannot make it, we are still posting lessons to the google classroom, if you cannot get into it, let me know and I can send them to you via email!

Connect

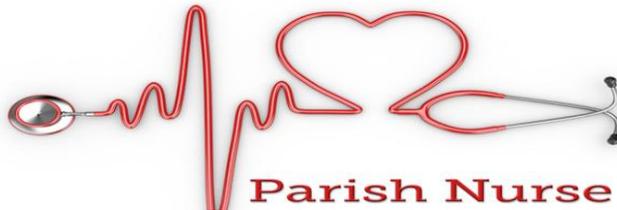

Continuing to connect! We are continuing to meet every Wednesday night at 6 pm via Zoom! Every Wednesday we explore a different topic that relates to our lives today! I have the link if you do not have it, just send me a message

In the love of Christ,

Daniel O'Brien

May Health Minute

Managing Social Isolation during the COVID19 Pandemic

While our “Stay-at-Home” directives and health organizations makes clear why we need to stay away from one another, confining yourself to home is no easy task. Loneliness is already a social health crisis itself, with roughly 1 in 3 adults experiencing it to some degree.

So what can you do to stay connected and make the best of isolation? Some ideas:

1. **Keep to a routine**

With many working from home - or not working at all - some ground rules and structure can help.

If you normally eat breakfast at 8am, keep doing so. If you're used to cooking dinner at a certain time, then tuning in to your favorite TV show, do that too. If you usually meet with a friend for coffee on a Wednesday, keep it in your schedule, but arrange a phone or video call instead. These things may seem small, but a “normal” routine can help to ground us in times of isolation.

2. **Keep in touch with family, coworkers and friends.**

FaceTime, Google Duo, Facebook video calls are examples of ways to talk and see each other. I am using the Duo to visit with my mother in the nursing home – even with her dementia she seems to understand we are seeing each other. People are using things like Zoom, Google Hangout, Go-to-Meeting for group gathering – even sharing meals while online together. Some TV streaming services are offering group watching “parties”.

Or just an old-fashioned phone call works, too! And remember to reach out to others who may be alone.

3. **Do an online course**

If there can be such a thing as a silver lining to the COVID-19 crisis, one might be that we all have more time. Why not

put it to good use by doing an online course?

There are countless options. One is <https://www.edx.org/> gives you access to more than 2,500 courses from institutions including Harvard, MIT, Berkeley and The Hong Kong Polytechnic University. The courses are free, but if you're happy to pay a small optional fee, you can get a certificate.

Our own church is having the **GentleTai Chi class at 10AM DAILY** online via the Zoom meeting app! **Zoom website then enter class ID 492-126-506. Or go to this link**<https://zoom.us/j/492126506>

If it's your first time, you will be prompted to download the app. Say yes to questions about audio & video to allow you to see and hear others.

4. **Enjoy the sunshine and exercise if you can**

While we're self-isolating and socially distancing, going outside is still okay in many cases. Putter in the garden if you have one. You could go for a walk in a local park, and let the natural surroundings relax you. Keep that 6 foot distance between you and others.

5. **Pick up on an old hobby or start a new one**

Sewing [face masks?], knitting, a craft kit that has been sitting around? Puzzles? Try that new recipe? All those books you planned to read?

6. **Join in the virtual St. Paul Lutheran activities!**

We have Sunday services, the Pause for Prayer at Noon, wonderful inspirational musical videos by Merritt, Bible studies. Be sure to check your email or Facebook or the church's website for these.

7. [...a person can always get into spring cleaning, but I have avoided THAT so far!]

Draw on your faith and skills that you have used in the past during times of diversity to help you during this challenging time. Support yourself and others with kindness and caring.

“God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea.”
Psalm 46:1-2

Linda Peterson
Parish Nurse

From the Office:

“In the middle of difficulty lies opportunity”
-Albert Einstein

I saw that quote the other day and it was a real reminder to me, of how God is working through us in these difficult times.

~~~~~  
We have been busy at the office getting a few things taken care.

1. Our Sunday worship service can now be viewed on local Channel 18. The service will be on a one week delay, at the following times:

- Thursday 4pm
- Thursday 10pm
- Friday 4am
- Sunday 4pm

Please let me know if someone you know, isn't seeing the services played during those times. I do not get Channel 18 so I am unable to check.

2. While our office hours remain the same, the staff is covering the hours on different days to remain in compliance with social distancing.

- Kathleen is in on Monday's from 9am-1pm and Wednesday's from noon- 4pm each week
- Pastor Fred is covering the 9am-1pm office hours on Tuesday's and Thursday's.

3. I still have some checks for Easter Flowers at my desk. Please let me know how you would like me to handle. You can call me anytime on my cell phone: 763-772-2500

4. Hopefully you all have received the email regarding our new Devotional/Bible Study **The Cup of Our Life: A Guide for Spiritual Growth**, by Joyce Rupp.

Joyce leads us through a 30 week study of how we can be more fully filled with the presence of God in our lives, and poured out as a blessing to those around us in a manner that is healthy and life-giving. Each study is self contained, so don't worry if you miss a session. Each session and study guide will be recorded and saved on our website. During our study we will explore...

- The Cup of Life
- The Open Cup
- The Chipped Cup
- The Broken Cup
- The Cup of Compassion
- The Blessing Cup

There is a newly created tab on our website called: "Devotional/Bible Study" where the weekly videos/study guide can be accessed.

Peace to you all,  
Kathleen Peterson

# **Social Concerns Outreach Update**

## **Meals From The Heart News**

Meals From The Heart greatly appreciates our partnership with St Paul Lutheran Church in fighting food insecurity through your annual participation our meal packing events. Unfortunately, our events for March through July are canceled and postponed until fall.

We are currently contacting our partners to request an emergency grant to help us as we respond to the hunger crisis that is expanding amidst the corona virus crisis.

Before the Covid-19 crisis, 1,000,000 folks in Minnesota and Wisconsin were struggling with food insecurity issue. As the unemployment numbers increase, a food insecurity crisis is exploding. Our distribution partners are experiencing a nearly 200% increase in demand and are in turn seeking more of our great tasting and nutritious meals.

Here is the position that we are facing:

We have supplies on-hand for 300,000 meals that were purchased with funds provided by a packing partner for an event, but that event was postponed until September.

We are safely converting these supplies into completed meals with micro-teams packing a few times every week. We are then distributing them to our partners at local food shelves.

The issue is that we cannot simply convert these supplies without recouping funds to enable us to repurchase ingredients for the September event.

As the economic impact of the corona virus crisis continues to unfold; all indicators point toward the demand to continue increasing.

For example, in the past three weeks we have fulfilled the following requests:

- 2500 meals to our partners at Valley Outreach
- 2500 meals in Mahtomedi at St. Jude Catholic Church
- 750 meals to the Mora food shelf
- 5000 to three food shelves in Central Minnesota
- 5000 meals to North Heights Lutheran Church for a distribution event for 400 families.
- 38,000 meals to Ruby's Pantry sites in Minnesota and Wisconsin

As we are fulfilling these requests; we continue to receive more urgent requests for our meals.

The Social Concerns Committee has given \$1,200 from our 2020 budget to this program. Instead of waiting for the fall event when we package the meals, the committee voted on supporting them at this time. Together, we can meet this increasing need and serve our neighbors.

Thank you for your consideration.

Be well and be hopeful,

Tom Thiets

Director

## Valley Outreach News Bulletin

Now that we've had time to work through the logistics of our temporary model, we're happy to share that we're ready to open a limited number of volunteer opportunities. We have a streamlined sign-up available on our website where you can select a shift that works for you and schedule yourself.

This

isn't business as usual and we do have some additional requirements for the safety and well-being of all.

### **Our volunteers must:**

- Be 16 years of age or older.
- Be under 65 years of age per the [extra precautions recommended by the CDC](#) due to higher risks associated with COVID-19 in older adults.
- Be able to safely lift 20 pounds and stand for up to 3 hours.
- Sign up for available volunteer slots every other week. We want to ensure volunteers have a week of time in between shifts to monitor their health. You may volunteer multiple times in the same week; however, consecutive weeks of volunteering are not allowed right now.
- Follow Valley Outreach's safety protocol for staff and volunteers which is based on CDC and Minnesota Department of Health guidelines.

### **Our volunteers must not:**

- Come to Valley Outreach after being exposed to anyone with COVID-19 symptoms or a positive test for COVID-19 or influenza A and B within 14 days prior to their shift.
- Travel within the 14 days prior to their shift.
- Have a [serious underlying medical condition that requires extra precautions according to the CDC](#) that would put them at higher risk of complications if they contract COVID-19.

We will also do a brief screening with each volunteer at the beginning of their shift. We are asking volunteers to bring their own cloth face mask (if volunteers don't have one, we'll provide one.)

If you are interested in signing up and are new to volunteering at Valley Outreach, please fill out our brief [online application](#).

We've been able to thoughtfully respond to challenges and continue to be a stable, welcoming place for people who need help thanks to your generosity and support. As we've said many times, we are incredibly grateful to be part of this community.

Tracy Maki, CEO

## **An Update for Our Volunteers and Supporters of Home for the Journey Home,**

We hope this message finds you and your loved ones healthy, safe, and connected despite our physical distancing. HJH staff are healthy and miss the presence of both our volunteers and our guests. We continue to provide shelter at a local hotel for families who were staying with us and make sure they have food and supplies as needed. Daily check-ins on goals with their St. Andrews case manager continue via phone and email. They are doing the best they can, getting outside with their children, filling out housing applications, working, and embracing a new challenge of homeschooling.

During the last two weeks, HJH staff have been cleaning and disinfecting all 7 family bedrooms (and our overnight host room), washing walls, and cleaning bathrooms. Our carpets have been professionally cleaned. We painted two of our bedrooms. We will continue to work on making sure the shelter is a healthy environment for all when we are able to re-open. We have shared and will continue to share what's in our freezers and pantry with Christian Cupboard Food Shelf and several families who we know are in need. We want nothing to go to waste during the time we must be closed.

Some of you have asked what we need when it comes to supplies. Right now, we are well-stocked with essentials such as cleaning supplies, Clorox wipes and paper towels. What would be most beneficial to HJH and the families we are serving is a financial donation so that we can continue to house the families at the hotel and meet some of the operating expenses still in play during this time.

We will keep in touch with updates as we continue to evaluate when we will be able to re-open. If you need to reach out, you can still do so at 651-503-3380 or [pbrokman@guardian-angels.org](mailto:pbrokman@guardian-angels.org).

Most importantly during this time of uncertainty, we ask for your prayers. Please pray with us for all families who struggle to secure safe, affordable housing.

Blessings,

All of us at Hope for the Journey Home

## **BLESSED TO BE HERE FOR 150 YEARS**

At the council meeting on April 21, 2020, our council authorized digital banners to be placed on our website and facebook page, along with approval to purchase a banner to be hung at the church celebrating our 150 year anniversary. The digital banners have been placed and we are working on the banner for the exterior of the church. The council also authorized looking into getting t-shirts and sweatshirts celebrating the 150<sup>th</sup> anniversary.

I wanted to take the opportunity to clear up some misinformation that has been presented by a few individuals. Those individuals are claiming that St. Paul Lutheran Church will not be 150 years old until 2022. At the February council meeting, this information was discussed and our documents clearly provide that the church had members and adopted a constitution in 1870. On page 8 through 11 of *Cornerstones 125 years at St. Paul Lutheran Church, Stillwater, Minnesota*, the churches records indicate that on January 1, 1870, there were fifty one (51) Chartered Members of the German Lutheran St. Paulus Congregation of Stillwater, Minnesota. These members incorporated the church in 1870 and adopted a constitution. See Page 11 of *Cornerstones*. The services were held in people's homes or at other locations as no church building had been built.

In 1872, a church building and parsonage were built on South Third Street. In 1912, an addition was placed on the building and a cornerstone installed. The article from the *Stillwater Gazette* indicated as follows:

“Placed in a recess of the stone were records of the church. They included a copy of the *Gazette* that gave a sketch of the church with the pastors since its organization in 1870.”

The construction of the building was again celebrated in 1947 with a Jubilee 75 year celebration. The Jubilee celebration coincided with the construction of the building in 1872, not the formation of the church in 1870. Our current church building was built in 1952, in its current location on Walnut and 5<sup>th</sup> Street. The education addition was constructed in 1965. The last remodeling was done in 2001.

In 1997, our church celebrated the 125<sup>th</sup> anniversary of the building from 1872 through 1997. This was actually the 127<sup>th</sup> year of the congregation. As many of you are aware, we sing on numerous Sundays, that the church is not a building, it's the people and their relationship with God and each other. If we would be celebrating buildings our current building wasn't constructed until 1952. We are not celebrating the buildings, because if there were no buildings, and we still had members who were serving God, we would still have a church. Look at our current situation, we are unable to meet in our building, but we are still a church. There is no question that the congregation of St. Paul Lutheran Church has been celebrating their relationship with God and one another since 1870 and we are blessed to be here for 150 years.

At this point, given the pandemic that we are faced with, we will be putting together information from 1995 to 2020 which covers important events and milestones for our congregation to be placed in an electronic book. We had considered updating our directory but this was just done in 2017. If you have any events, pictures or stories that you would like to contribute, please send them to me, so that we can consider them for inclusion in the electronic book.

Initially, we are thinking of keeping this celebration low key by having a service and a catered dinner (pandemic allowing?) in order to formally celebrate and recognize this achievement. We would invite past Pastors, Intern Pastors, past presidents and others to attend this function. Our initial plan was to celebrate this milestone at each of the events we already had planned on holding including the pork chop dinner, lumberjack days, annual picnic and ice cream social. However, with the pandemic most of these events have been cancelled and therefore a single celebration may be appropriate.

I will keep you updated as we move along, but I wanted to provide you with this information, as we don't get the opportunity to discuss these things or make announcements each Sunday while we are operating during the pandemic.

Just a reminder on Stewardship. Please keep your offerings being sent to the church by electronic or mail. We are still contributing to the food shelf and need money to cover our operating expenses. The church council approved a post office box, so that items could be sent and will be secure and not sitting in our outside mailbox.

Blessings to you all.

Mary Viers  
Chair Memorial and Grants

## The ChatterBox

***During this COVID19 Pandemic “stay home order” many of our congregation members are doing some new and exciting things to keep busy***

***.....Let’s see what people are up to:***

- Nancy Schlagel: *“During my recovery Jerry has done the cooking. As I’ve gotten better I’m taking over meals again except one thing. Jer keeps on making a baked oatmeal with apples and walnuts that we eat most days. It’s a cake pan full that lasts a week. That’s one way he keeps busy.”*
- Carol Schuster: *“I have been busy making cloth facemasks. Have distributed over a hundred already and would love to give them to anyone who wants and can use them. Just let me know and I can deliver them to your doorstep.”*
- Cheryl Renne: *“I have been busy sewing face masks for family, friends, neighbors and donating to nursing homes. I’ve been planting seeds for seedlings for our garden.”*
- Mugs: *“This is an awesome daily devotional book, as it always seems to be speaking directly to me.” Jesus Always- Embracing JOY in His Presence  
-Author - Sarah Young*
- Karen Celski: *“The power of Christ within you is greater than the pressure of troubles around you.” This is from the “**Great is thy Faithfulness**” devotions from Our Daily Bread.*
- Mary Jo Drews: *“Each time I think of someone I’d like to visit or have dinner with, I put their name and that activity on a piece of paper and put into a jar. Once this quarantine has ended I’m going to*

*reach for the jar and pull one of the slips of paper out and see who I need to contact. It’s kind of like a bucket list”*

- Pastor Carole wanted you all to meet her newly appointed Office Assistant

*Her office assistant thought Carole could use the three-hole punch.*

*The office assistant took a break from her day to do some Tai Chi!*

- Kathleen Peterson had a tailgate party, practicing social distancing, with her son’s family in an empty parking lot. They ate Portillo’s take out.

# Upcoming Events and Updates

## **New Care Ministry Begins**

A new ministry is developing for our members over 70 years of age, and our shut-ins. In this time of “Shelter at Home”, and even at other times when you might feel alone; this Care Team wants to reach out and show God’s love for you. This reaching out may be in the form of a regular phone call to see how you are doing, or if we can get anything you might need brought to you. It may be a card or a little package left at your doorstep. The message is the same – God loves you and so does your church!

## **NEW COFFEE CARAFES**

In early March, all the coffee carafes in the kitchen were replaced. Using a Thrivent Action Team Grant and a gift from the Undesignated Memorial Fund, we purchased 40 new carafes. They are stored in the kitchen and in the pass thru storage closet off the Fellowship Hall. Washing instructions have been posted in the kitchen. We ask that you follow these instructions and to please put the carafes back where you took them from. Thank you.

The old ones are located on a table in the Gathering Area. If you have a use for them, please help yourself.

## **YARNSTERS**

Hello from the Yarnsters:

We hope you are all safe and doing well. During this stay-at-home time, the Yarnsters have been busy knitting and crocheting various projects. We are focusing on making hats and scarves that can be given out at our next "Come To Our Table" event, as well as items to be given to the families that we sponsor at Christmas. Below is a picture.

Several members of the group have also been busy making masks to be distributed during this COVID-19 pandemic. We are blessed to have so many ladies who sew. Their efforts and contributions are greatly appreciated.

Please continue to be safe and take care of yourselves and others.

With God's peace and blessings,  
Esther Longseth

| Sunday                                                                                                                             | Monday                                                                                                           | Tuesday                                                                                                                             | Wednesday                                        | Thursday | Friday                                                                                | Saturday       |
