

**INSTRUCTIONS FOR COMPLETING YOUR
40 Years of Service Capital Campaign
*2020 Capital Campaign Estimate of Giving Card***

Completing a *2020 Capital Campaign Estimate of Giving Card* allows both the church and you to have a record of your intended investment in God's work at Desert Palms Presbyterian Church. The amount you enter will be used to plan the church's capital expenditures over the next three years. You can update/change your estimated giving at any time by contacting the Church Office.

FILLING OUT THE CARD

1. Please print the *2020 Capital Campaign Estimate of Giving Card* from the pdf file within the email distribution or from the packet mailed to you. Provide your name, date, phone number, envelope number, and address on the appropriate lines on the card. Your envelope number can be found on your latest Record of Contributions from DPPC. You may also complete the card on-line using the desertpalmschurch.org website. The Capital Campaign section has the form available which will be forwarded to DPPC@desertpalmschurch.org upon submitting your information.
2. Enter the **total number of dollars** (including any prior contribution) you will be investing for the full three years toward the church's Capital Campaign. Your gift will be matched dollar for dollar from the General Endowment Fund. For those of you who have already made contributions toward individual projects, those previously received funds will be automatically credited to your individual commitments.
3. Decide how you wish to fulfill your estimate of giving. You may commit to one lump sum, or contributions weekly, monthly, quarterly, or annually each year.
4. Please consider making your financial contributions electronically by setting up DPPC as a "payee" for recurring bill payments through your bank or other financial institution. It would be helpful for you to reference your envelope number on your electronic transaction.
5. Even though there is not a Required Minimum Distribution (RMD) in 2020, if you are age 72 or older you can still have your IRA administrator make a tax free donation directly to the church. Talk with your financial advisor for complete details.

Please mail your *2020 Capital Campaign Estimate of Giving Card* to the church, drop off in the mail slot of the office door, or email to DPPC@desertpalmschurch.org.

Thank You for sharing in this 40 Years of Service Capital Campaign.
