Summit Leadership Camp

“Summer Camp for Awana Scholars”

Dear Awana Commander:

As the camp season approaches we need your help:

1. Please read the Parent Pack, Coordinator Pack, and Counselor Pack.
2. Choose a Camp Coordinator who will perform all of the tasks as assigned in the Coordinator Pack.
3. Help the Camp Coordinator enlist Camp Counselors from your club.
 - Each club must have one (1) counselor per six (6) students. Those assisting as administrative staff do not count in your 1:6 ratio.
 - If you have no qualified camp counselors, your club may be required to pay an additional fee of \$200 for each six (6) students that you send.
 - Make sure that camp counselors understand that they must attend the training days in May or June.
4. Help the Camp Coordinator by making certain students meet the qualifications listed on the application; read it carefully and check it for completeness.
 - Look for Awana achievements, all signatures, dates, fees, medical info, phone numbers, etc.
5. Make sure the students are ready for the camp experience.
 - Pray for/with the students that are prone to homesickness, need lots of help to complete verses, have trouble with rules or schedules.
6. Help students make selections for their roommates (one request per student).
7. Help the Camp Coordinator collect all of the camp fees from the students and make sure there is only one check from the church accompanying the application packet from your church.
 - Counselor applications will be needed at the time you send in the camper applications.
 - Payments for Counselors do not need to be sent until the Counselors are accepted.
8. Assist students raise funds for their camp fee. Some activities to consider are:
 - Special offerings at church
 - Individual sponsors
 - Have a Sunday School sponsor students
 - Conduct a “Verse-a-thon”.
 - Hold a bake sale, garage sale, rummage sale, etc.
 - Collect aluminum cans, newspapers, or other recyclables.
 - Have a pancake breakfast
9. Please help by appointing someone and submitting their contact information to Pine Summit by January’s end.

Thanks!

The Summit Team
