REMITTANCE WORKSHEET INSTRUCTIONS

The staff of New Harmony Presbytery relies on your help in letting it know exactly where your church wants its money to go when it comes to the presbytery. That is why completing this worksheet accurately is very important. The following guidelines and descriptions will help you understand the Remittance Worksheet:

Item 1. Per Capita Apportionment

The amount for ecclesiastical expenses which is based upon the membership of your church as reported in your last Session Annual Statistical Report.

Item 2. Basic Mission Support

The terminology varies among churches and over time, but this item contains your churches covenant pledge to the unified mission of the whole church. Sometimes called benevolences, covenant pledge, askings, or unified mission giving, this item is further divided into *shared mission support* (Item 2a.) and *directed mission support* (Item 2b.) *Directed mission support* may be designated for missionary salary support for missionaries sponsored by the Presbyterian Mission Agency of the PC(USA). Or it may be designated, in all or part, to any higher governing body. If you have any questions about whether a certain mission may receive your Directed Mission Support, please call the presbytery office for help.

Item 3 Theological Education Fund

Each congregation makes a voluntary contribution of 1% of their local operating budget to the Theological Education Fund as a proportionate share for the education of present and future ministers and church educators.

Items 4-9

These items are not included in basic mission support and are not counted toward your covenant pledge. When you send money to any of these causes, we honor your designation to the letter. Therefore, it is important to enter the project name and number when applicable. It is also important to add any other information that might help us direct your gift. The more information the better. Please note, however, that the presbytery can accept no fiscal responsibility for projects not validated by the Presbyterian Church (U.S.A.).

Finally, please make sure your check is made payable to **The Presbytery of New Harmony**. We cannot process checks made out to other organizations nor can we process checks from individuals in your church. And please do not staple your check to the remittance worksheet.

Please know that we at the presbytery office are always available to answer your questions. Thank you very much for your efforts in our very important job of correctly directing your church's gifts.
