In establishing salary for pastors, the COM encourages congregations to consider special circumstances such as family obligations, education, and years in position. Churches currently at or near this minimum may wish to use the following as a guide in addressing those circumstances:

Add one unit (\$250) to the salary for any of the following that apply:

- One unit for each dependent child not in college
- Two units for each dependent child in college (full time student)
- One unit for an earned doctorate
- One unit for each year in the current position

It is further recommended that the following suggestions be considered by each congregation:

1. That, a minister be able to rollover continuing education time and money up to 4 weeks and \$2000 to enable more extensive educational opportunities.
2. For every 15 years a minister has completed in ministry, an additional week of vacation be added to the terms of call.
3. That a minister be granted a 3 month sabbatical period during each 7th year of service to a particular congregation.

The Committee on Ministry will be available to evaluate the ministry of pastors and congregations and suggest remedies to churches that are unable to meet minimum salary requirements.
