Camp Pee Dee Mission

The summer camping program at Camp Pee Dee exists for our campers to experience joy, wonder, awe and reverence for the Creator and all creation; to know the reality of Jesus Christ as Lord and Savior; to be provided with opportunities to grow physically, intellectually, emotionally and spiritually in the camp setting; to participate in worship, Bible study and prayer that is relevant to daily life; and to return home feeling good about him or herself.

HANDLE WITH CARE

Daily in the week long CPD experience, Campers will pause to learn about God's wondrous creation and how they, as Christians, co-exist with our world. BLAST Leaders: pastors and youth leaders from the Presbytery of New Harmony, will weave in scripture of nature and stories of God's masterpiece. Worship services will also reflect these teachings and further create fun experiences in our awesome surroundings! Get ready for a fun week in CPD's pines learning all about God's works!
