THE PRESBYTERY OF NEW HARMONY

Manual of Operations

THE MISSION OF PRESBYTERY

The mission of the Presbytery of New Harmony is to strengthen, nurture, and sustain its congregations and ministers, and to participate in the wider mission of the church through its higher governing bodies.

OUR GUIDING PRINCIPLES

We will seek to be God's people as we commit to be guided by the following principles:

- A. By the Book of Order of the Presbyterian Church (U.S.A.), the Presbytery is given authority over its congregations and ministers. We will exercise our constitutional authority with each other as brothers and sisters in Christ. This authority will be exercised in a positive and edifying manner, seeking to work with each congregation and minister, rather than to dominate.
- B. In our relationships within the Presbytery, we will be caring, sensitive, trusting, supportive, and giving.
- C. We will assure that Presbytery will be open to all persons and to the variety of talents and gifts of all God's people: people of all racial-ethnic groups, different ages, both genders, varied abilities, diverse-geographical areas, and different theological positions consistent with the Reformed tradition. We will assure full participation and access to representation in the decision-making process.
- D. We will carry out our ministry in the spirit of partnership between the presbytery and its congregations.
- E. We will be active participants in the work of the larger church: in our region, in our nation, and in our world. Such participation emphasizes our particular Presbyterian values, and depends upon a generous exchange of communication among the governing bodies of our denomination.
- F. We will be sensitive to the moral and ethnic issues that directly affect our people, our congregations, and our communities, and we will engage these issues as the Holy Spirit leads us.
- G. We will work in partnership with our congregations to provide help for their growth in spiritual health, evangelism, and stewardship.

We praise God for our heritage of faith, for our diverse experience, and for our united partnership in the Spirit of our Lord, and we look to Him for grace and strength to fulfill our calling.

A VISION FOR THE PRESBYTERY OF NEW HARMONY

IT IS OUR VISION THAT BY THE YEAR 2020 WE WILL HAVE ACHIEVED THE FOLLOWING VISION FOR THE PRESBYTERY OF NEW HARMONY

The Presbytery of New Harmony, its constituent churches, and the members of these churches are good stewards of time, talents, and resources. The Presbytery supports a broad spectrum of mission activities, study opportunities, enrichment exercises, music programs, and spiritual growth challenges. Its churches offer vibrant and exciting worship services, as well as spiritually challenging programs incorporating the full range of practices encouraged in the Book of Order, including prayer services, services for healing and wholeness, and renewal services. Members of all ages participate willingly and regularly in these activities. Churches with small memberships display an outgoing attitude, focusing on ministry and mission rather than on the effects of shifting demographics. The Presbytery provides ample support and guidance for these churches, encouraging self-reliance and confidence rather than false pride or debilitating dependency. Stewardship of resources is reflected by the recognition that sacrificial giving begins only after a tithe has been offered, and the Presbytery, its churches, and their members are characterized by such sacrificial giving.

The Presbytery of New Harmony practices and encourages good leadership. It oversees and supports its candidates for ministry and exercises careful scrutiny of incoming ministers. Readily available counseling when needed assists all ministers. Ministers possess a deep sense of vocational joy and come together frequently in small groups for study and fellowship. Training for elected officers is provided to churches, both individually and in clusters, and the Presbytery plays an active role in officer training. In addition, the Presbytery plans training programs on specific issues for the benefit of the entire membership. Youth serve on committees and are helped by special programs developed for them by their respective churches, by clusters of churches, and by the Presbytery. These training efforts are supported by an expanded Camp Pee Dee, whose 568 acres have been transformed into a year-round camping/conference center with facilities to host many different types of camping for all ages, including motel-like accommodations for conference activities and a transportation system to ease travel to the grounds for participants from long distances.

The Presbytery of New Harmony is the fastest growing Presbytery in the General Assembly because of the commitment of clergy and laity alike. Issues of common concern are often addressed within geographic clusters. Pastors, other staff, elders, and church members are well informed about programs, events, and issues within the Presbytery. Deep friendships are formed across racial lines, and there is no evidence of racism. Worship services at Presbytery meetings are meaningful.

Trusting in God's grace, love, and providence,
you are cordially invited to participate, collaborate, and celebrate,
as we, the Presbytery of New Harmony, pursue

6 Great Ends for 6 Great Years TOGETHER!
