

Summer 2010

Hello Prospective Leader!!

Thank you for checking out the many opportunities to serve our students at Hope! I'm excited that you're specifically considering serving within PowerLife, our junior high ministry!

We have a need for volunteers who want to make an impact for Jesus, and who realize the investment required to follow that through. Along with this letter are descriptions for *Small Group Leaders* and *Halls Angels Volunteers*; both important roles to fill! Take a look at the descriptions, as they cover responsibilities, time commitment and other details you'll want to know.

Taking the next step...

1. **Pray about your commitment to PowerLife** – Take the time to think & pray through this commitment and seek the counsel of family & friends about your role in serving students.
2. **Complete the online application/background check** – Visit our Web site www.hopewdm.org and follow the links to Student Ministry. All information will be kept confidential within our staff team.
3. **Schedule an interview**– If applying to be a Small Group Leader, we will need you to come in for an interview with one of our Student Ministry staff. During this time, you'll have the chance to get to know us, and we'll learn more about you. You'll have the opportunity to describe your spiritual journey, talk about your gifts and tell us your desire to serve junior highers!

If you have any questions about PowerLife please give me a call! I truly look forward to teaming up with you to minister to these students!
