Acknowledgements

The St. Thomas More Annual Parish Plan is published each year by the Pastoral Council to serve as a communication and planning guide for all parishioners to convey the mission, goals and objectives for our Community in the coming fiscal year. Each portfolio leader submits a plan to encompass the goals of all ministries within that portfolio. This document, like our Community, is dynamic, and we invite input and comment.

Each member of the Pastoral Council and their portfolio and ministry leaders are to be commended for their work in helping to guide the growth of our Catholic Community. Several people have worked especially hard on this year's planning and budgeting processes. Many thanks for your generous contributions of time and talent and your commitment to the St. Thomas More Community.

If you are interested in learning more about our Community and its ministries, please see our website at church.st-thomasmore.org, or call the Parish Office at (919) 942-1040.

Introduction

Background

Each year our Portfolio leaders create an annual plan at the start of the new fiscal year. Progress toward achievement of goals is reviewed six months into the plan year, and changes in portfolio or ministry needs, mission or outputs are noted at the mid-year review. The parish mission statement and annual plan grounds our community in a shared understanding of the parish priorities. This represents the sixth year of developing a guiding plan by the St. Thomas More Pastoral Council in partnership with members of the staff and volunteers.

Purpose

Parish plans are required of every parish by the Bishop of Raleigh. These may be annual or multi-year, and should be revised and updated annually. The Bishop does not specify how parishes should plan, only that they do. Parish plans are intended to reflect an alignment with Diocesan goals, as stated in the Diocesan Plan, located on the Diocesan website at www.dioceseofraleigh.org/. Check Offices/Bishop/Diocese Overview/Long Range Plan.

Our annual plan is the result of an effort by the Pastoral Council of St. Thomas More to articulate the goals of the parish as well as the goals for each portfolio in our lay ministry organization. This annual plan sets forth the necessary objectives anticipated to achieve our goals for the coming fiscal year from July 1, 2008 through June 30, 2009.

If you are interested in learning more about our parish and its ministries, please check out our website at church.st-thomasmore.org, or call the parish office at (919)942-1040.

St. Thomas More Vision Statement

The Catholic Community of St. Thomas More, Chapel Hill, NC

Inspired by the Courage and Conviction of St Thomas More,
Responding to God as the Virgin Mary did, and
Called in Baptism as prayerful Stewards we share our gifts of Time,
Talent, and Treasure

In so doing, we strive to be "True Disciples of Jesus"

St. Thomas More Mission Statement

As individuals striving together to become True Disciples of Jesus:

- ❖ We joyfully celebrate our relationship with God and neighbor through the sacraments and the liturgy to enable each parishioner to encounter God in word, sacrament, and one another.
Liturgy (Leitourgia) Psalm 48

- ❖ We bring parishioners together in prayer, service, celebration and recreation strengthening the social bonds among them and building on the foundation of an active parish community. We promote the celebration of life and community in our parish to enable each parishioner to look to St Thomas More as a focal point for their social and spiritual growth.
Community (Koinonia) Ephesians 4

- ❖ We seek to strengthen our identity as Catholics through a deeper understanding of our beliefs and to form a parish that is vitally alive in faith and exemplifies the love of God. We strive to provide an array of activities and resources designed to enable adults, youth and children to more fully understand and live their faith.
Evangelization (Kerygma) Acts 2:42-46

- ❖ We serve Christ, both individually and collectively, through a life style firmly based in Catholic values and promote the awareness of Catholic social teaching for a more just and peaceful society. We seek to enable each parishioner to share their time, talent and treasure in the service of God, His church and the community.
Service (Diakonia) Genesis 1, 2; Matthew 5, 6, 25

We unite under the protection of our Blessed Mother, Virgin Mary, manifested as Our Lady of Guadalupe, Patroness of the Americas, and we pray for her intercession with God as we strive to become true Disciples of Jesus.

St. Thomas More Goals and Objectives for 2008-2009

Parish Goals

Our parish goals for the 2008-2009 year call us to continue our focus on three key principles to guide each of us in our growth of the Catholic faith:

1. responding to our **Baptismal Call**,
2. expressing our **Catholicism** in word and action, and
3. furthering **Unity** within our parish and world community.

Each goal relates directly to our parish vision and mission statements, emphasizing a loving community, celebration of God, and service to Christ in a life firmly based in Catholic teaching, asking us all to be good stewards of God's many gifts to our community and beyond.

Baptismal Call

We are called to live the life that God has given us, fully employing our **Time, Talent** and **Treasure** for His benefit. For this reason, our goal is to further incorporate Stewardship as a way of life in our parish by achieving 100% participation among our parishioners in terms of:

- ❖ prayer,
- ❖ ministry service, and
- ❖ financial support, so that St. Thomas More moves toward becoming a fully-developed stewardship parish led by the clergy and the laity.

Catholicism

The term Catholicism and its meaning "universal" reminds us that we must look beyond ourselves to see God's plans for all. To do this we must...

- ❖ Create an understanding of the meaning behind Catholicism through our efforts in Catholic formation by instructing all of our people in the **theology, faith, morals,** and **values** upon which our Catholic identity depends.
- ❖ Incorporate the St. Thomas More School's strengths as an evangelical tool into the workings of the Parish and to continue to support its development.
- ❖ Bring the light of our Parish Community to the community outside our walls by reaching out to all those in material or spiritual need.

Unity

Unity comes through understanding and understanding through communication. We as a parish must continue to bring the unifying message of God to the Parish and the broader community, in order to realize all of the great blessings of our community.

- ❖ To continue to develop Stewardship as a unifier within our community
- ❖ To build a new Parish Center that will enable St. Thomas More to fulfill its mission, support its ministries and unite people inside and outside the parish.

Parish Objectives

Baptismal Call

- ❖ Ongoing development as a tithing parish by providing positive examples of tithing, the parish organization tithing 10% and encouraging parishioners to tithe 10% as well.
- ❖ Continue to identify, invite and develop new leaders into parish activities so that we maintain a dynamic and growing Catholic community. Plan leadership development programs and support for leaders to ensure that every open leadership position is filled.
- ❖ Further evolution of our planning process to better identify and incorporate needs from the Parish Ministries into the Parish's annual and strategic plans.
- ❖ Offer semiannual Gift Discernment workshops to help our parishioners recognize and utilize their God-given talents in response to their Baptismal Call.

Catholicism

- ❖ Continue to implement the child safety mandates of the Diocese of Raleigh in all aspects of the parish.
- ❖ Actively promote the available opportunities for Adult Formation, such as:
 - Into the Fields,
 - JustFaith,
 - Satellite Theological Education Program (STEP),
 - Denver Bible Study.
- ❖ Strengthen and support the Landings program, reaching out to fellow Catholics who are away from the church.
- ❖ Continue to promote and expand the Disciples in Mission ministry as a means of sharing our Faith and building relationships within our church community.

- ❖ Continue to support our Catechumenate process for adults and children seeking initiation into the Catholic community, and deepen the understanding of the community about its relevance to life in the Catholic Church.
- ❖ Institute an annual parish program to include one or more major speakers to address faith-related topics.
- ❖ Strengthen our involvement and support of social justice organizations, particularly in Orange County.

Unity

Buildings & Grounds

Mission

The mission of the St Thomas More Building & Grounds Ministry is to provide technical support to assure that the current and future facilities needs for the parish and school are met. This mission is fundamentally one of planning for and overseeing construction of new buildings, and maintaining current buildings and grounds.

Goals

- ❖ Maintain parish and school grounds and landscaping in good condition;
- ❖ Continue participation in the planning for new building structures and related facilities with the parish New Building Committee and its various subcommittees;
- ❖ Help to be mindful stewards of church and school funds through the Capital Improvements Project Planning Process;
- ❖ Continue to identify expenses for deferred and long-term facilities maintenance by managing and updating the Reserve Study developed in 2004 by the B&G Committee. This task has particular importance at this time because the parish must have a good understanding of the expenses needed to adequately maintain the existing parish facilities before the Building Committee finalizes plans for new facilities;
- ❖ Continue to evaluate and maintain environmentally sound construction and maintenance solutions for the parish buildings and grounds.

Objectives

- ❖ Continue to hold Parish Pride Day and conduct other grounds improvement.

- ❖ Continue administering the St Thomas More Capital Improvements Project Process including maintaining an updated database of potential projects covering all parish-owned facilities, and the meetings of the Review Board to establish priorities for each project. Projects planned for the coming year include: for the church:

Upper School Spanish classroom, painting in hallways (both LS and US), and painting the flag pole in front of the Lower School.

- ❖ Investigate the potential of establishing an Environmental Stewardship Subcommittee to research and recommend environmentally sound solutions for our buildings and grounds.
- ❖ Review and update the documentation for preventive maintenance plan for equipment and facilities on campus, incorporating items for the new facilities as information becomes available.

Catholic Formation

Mission

Catholic Formation Ministries are catechetical, spiritual, sacramental and community building programs with the purpose of bringing knowledge of Christian living, the Catholic faith and sacramental preparation to St. Thomas More parishioners. As such they should touch the lives of every member of the community and should provide effective resources for personal and communal spiritual development.

The goals of the St. Thomas More Catholic Formation Ministries are derived from the general Directory for Catechesis General Catechetical Directory, the National Directory for Catechesis, Our Hearts Are Burning Within Us (the US Catholic Bishops' document on Adult Formation), and Renewing the Vision (the US Catholic Bishops' document on Youth Ministry).

We seek to form a parish that is vitally alive in faith and which exemplifies the love of God. The Catholic Formation Ministries will provide an array of activities and resources designed to help adults, youth and children more fully understand and live their faith, based upon the 'four marks of the catechumenate', prayer, communal life, discipleship and the Word of God.

We seek to form faithful members who actively cultivate a lively baptismal and Eucharistic spirituality with a powerful sense of mission and apostolate, who will witness to and share the Gospel in their homes, neighborhoods, places of work, and centers of culture.

Goals

The faith development staff and volunteers recognize the importance of improving and expanding educational programs for children, youth and adults. With this in mind, our goals for the 2008-2009 year are:

- ❖ Develop an understanding of the primary ministry of the laity as that of evangelization—sharing and being the Gospel for others, inviting them to Christ (and his Church), and reconciling those who have been estranged from Christ (and his Church), inspired by Pope Paul VI's Evangelii Nuntiandi and Vatican II's Lumen Gentium.

- ❖ Continue full compliance with the mandates of the United States Conference of Catholic Bishops (USCCB) Charter for the Protection of Children and Youth, without compromising the quality or number of programs offered.
- ❖ Serve approximately 900 children and youth enrolled in faith development programs at St. Thomas More.
- ❖ Increase the integration of Anglo and Hispanic Faith Development.
- ❖ Enrich adult education opportunities for the parish.
- ❖ Increase preparation programs for Reconciliation and Eucharist from one to two years as mandated by the Diocese of Raleigh.
- ❖ More fully implement the *Rite of Christian Initiation of Adults*, setting the year-round, apprenticeship approach to the catechumenate as the model for all catechesis.

Objectives

- ❖ Provide opportunities for spiritual growth to all parishioners, including retreats and spirituality groups for men and women.
- ❖ Continue to offer the JustFaith program to raise awareness of Catholic Social Teaching.
- ❖ Provide retreats for families with children preparing for First Reconciliation and First Eucharist.
- ❖ Offer improved Faith Formation opportunities for Young Adults.
- ❖ Strengthen the formation and certification of Faith Development catechists through the Into the Fields program and participation in additional workshops (e.g., North American Forum on the Catechumenate).
- ❖ Continue to offer the in-depth weekly Denver Bible Study program.
- ❖ Encourage parish-wide participation in Small Church Communities, such as the Lenten Disciples in Mission program.
- ❖ Provide retreats for youth in the Junior High Youth Ministry (JYM) and the High School Youth Ministry (TYM), especially for those preparing for Confirmation.
- ❖ Provide preparation for Reconciliation and Eucharist to JYM and TYM youth who need it.
- ❖ Provide at least three safe environment workshops.
- ❖ Increase the number of sponsor formation workshops in order to build up a core group of available sponsors for catechumens and those preparing for reception into the full communion of the Catholic Church.
- ❖ Implement the *Rito de Iniciación Cristiana de Adultos (Rite of Christian Initiation of Adults)* at the 1:30 Mass in parallel with the year-round Catechumenate process for adults and children already in place at the 9:15 Mass by using the lectionary and the *Catecismo Católico de los Estados Unidos para los Adultos (United States Catholic Catechism for Adults)*.
- ❖ Provide appropriate catecheses for parents of children enrolled in the Catechumenate.

Hispanic Ministries

Mission

The Hispanic Ministry of St Thomas More serves as a vehicle of evangelization through which our growing Hispanic population can express, live, and grow in their faith in their native language. We seek to foster an environment where the community can interact socially and spiritually, and serve to help St. Thomas More become a fully integrated multicultural parish.

Current Situation:

Our Hispanic population is continuously growing and, as a result, there are more demands placed on parish personnel. In addition to the parish's staff, the Coordinator for the Hispanic Ministry is helping to address these growing needs and lessen the burden that has been placed on the priest in the past. Through meetings of the Equipo Pastoral (leaders in the Hispanic community) decisions are made regarding the ministries to help them attain their objectives. The Hispanic community is also a transitional one and this characteristic creates a continuous need for recruiting and training lay volunteers.

Goals

- ❖ Provide our fellow parishioners of St Thomas More with a multicultural parish experience through our common celebration and exchange of ideas and traditions.
- ❖ Enhance the worship life of our community through various liturgical services and ministries.
- ❖ Reach out through word and deed to individuals in our community and encourage greater hospitality and service among all of our members.
- ❖ Encourage the gathering of the members of our community to discuss, renew, and enliven their faith.
- ❖ Develop and promote leaders among the members of our community to strengthen the foundation and operations of the various ministries.

Objectives

- ❖ Promote liturgical celebrations, projects, and events that will build bridges between the Anglo and Hispanic populations.
- ❖ Provide training programs for volunteers in the different ministries on a continuous basis.
- ❖ Strengthen the integration in our FD program, incorporating the Youth to our JYM, TYM and Young adult ministries.
- ❖ Increase the participation in the different evangelizations programs such as Disciples in Mission, Bible Study, Charismatic Prayer Group, and Cursillo.
- ❖ Increase the foundational knowledge of religious and church teachings for the youth and adults to help them grow in their faith life, including the full implementation of the RCIA catechumenal process.
- ❖ Create a welcoming environment for new parish Hispanic members

Liturgy

Mission

To provide coordination, training, and planning so that parishioners can encounter God in word, sacrament, and one another. We strive to create joy-filled religious celebrations as the people of God gather to worship bringing their lives, ministries, needs, and hopes to God and to each other.

Goals

- ❖ Stimulate full, conscious, and active participation in the liturgy, by engaging hearts, minds, and bodies in the community celebration of all the sacraments and the richness of the liturgical year.

- ❖ Increase collaboration between the English and Spanish speaking members of our St. Thomas More community in the joint planning and celebration of parish liturgies.
- ❖ Encourage ministries to develop flexible engagement processes (training and involvement) so as to improve and increase volunteer participation and expand participation to all persons in our community. Provide additional opportunities for ongoing development and fellowship.
- ❖ Continue to enhance our worship space to promote prayer, reflection, and community

Objectives

- ❖ Develop channels through which to communicate liturgical catechesis that is to include not only catechesis about the liturgy, but also catechesis through the liturgy. This is to include liturgy study sessions and a library of liturgical resources.
- ❖ Offer more bilingual services to bring together the English and Spanish speaking members of our St. Thomas More community.
- ❖ Recruit and schedule lectors, Eucharistic ministers, and other ministers to reflect the diversity of our parish including age, ethnicity, and gender.
- ❖ Encourage the development and participation of the faithful in Morning and/or Evening Prayer, as the proper Liturgy of the Hours of the Church, in conjunction with the Liturgy of the Eucharist.

Music

Mission

The mission of the Music Portfolio is to develop the talent, skills and musicianship of each singer/instrumentalist as together we explore, prepare and share a diversity of sacred song with particular focus on the musical treasures of the Catholic Church.

Goals

Stewardship Committee

Mission

The Stewardship Committee inspires and enables parishioners to share their time, talent and treasure in the service of God, His church, and the community. But the goal of this committee is to help parishioners come to understand stewardship on a deeper level: that everything we have comes as a gift from God. This is a core belief of Catholics and one that demands a response – a conversion. Living stewardship as a way of life strengthens our relationships with God, with each other, and with the local community.

Goals

- ❖ To recruit a new committee chair
- ❖ To expand membership in the Stewardship Committee, being representative of the diversity of our St. Thomas More Community
- ❖ To improve availability, distribution and display of bilingual Stewardship and ministry-related materials

Final Thoughts

Ministry in your life

We hope this plan provides both inspiration and knowledge to the parishioners of St. Thomas More parish. Ministry is a deeply spiritual-based activity that comes from the Spirit within. It motivates us, encourages us, and helps us to endure the hardships that ministry surely brings. Serving the human needs that our ministries strive to attain, many a member of these efforts has said "I get more out of ministry than [the recipients] do!" This is our wish for you in your response to God's grace in your life - to be able to truly say and feel that you get more out of your ministry service than those you serve. If you would like to learn more about our parish and its ministries, please check out our website at www.st-thomasmore.org, or call the parish office at (919)942-1040.

"A rock pile ceases to be a rock pile the moment a single person contemplates it, bearing within the image of a cathedral." (Antoine de Saint-Exupery) We have spent a lot of time planning in the last several years, and we can see the results in all kinds of ways! But we need to continue contemplating what God wants to do with us, and other 'piles' of things and people! Thanks to all of you who have labored so hard to bring about new images of goodness in our parish!

Future editions of this document

This document should be considered a "living" document. Names of particular people, portfolios, and ministries are not permanent over a long period of time. People move, new needs arise for which ministries are created, and some ministries may "fade away" from lack of need or interest.

The annual plan should be nurtured and revised by members of the Pastoral Council and its successors annually, or as the need arises. The document should be reviewed at least twice each year by the members of the Council, revisions made as appropriate, and the version/edition number updated.
