

TO SAVE A FAMILY

If You Know Me, You Will Know...

This week's activity is a game called If You Know Me, You Will Know... The game is designed to test how well you know each other.

Below are 10 questions. Quickly answer each question, and then let the rest of your group or family know when you're done. Choose the best answer, even if none of the answers seem perfect. (The game is intended to see how well the rest of your family or group knows you!)

1) **The word "phobia" means a strong, ongoing, even unreasonable fear. Which of the phobias listed below are you most likely to have? Choose one of the options below.**

- Acrophobia - fear of heights
- Arachnophobia - fear of spiders
- Bacteriophobia - fear of bacteria
- Claustrophobia - fear of confined spaces
- Demophobia - fear of crowds
- Nyctophobia - fear of the dark

2) **Which of your features or physical characteristics do you think is the most attractive? (Examples: your eyes, hair, legs, etc.)**

3) **If you could have any job and money was no object, what job would you choose?**

4) **How would you most like to spend a vacation day? Choose one answer.**

- At an amusement park riding high-speed roller coasters
- At a beach playing volleyball and riding the waves
- Touring a museum or historical site, learning about culture or history
- Hiking the Grand Canyon or climbing a mountain
- In a comfortable lounge chair in a beautiful, quiet location, reading a great book

5) **What do you like best about your personality?**

6) **If you could be a guest star in any of the past or present TV shows listed below, which would you pick?**

- “Extreme Makeover”
- “Star Trek” (any generation)
- “I Love Lucy”
- “What Not to Wear”
- “Survivor”
- “American Idol”

7) **Which of these would you most like to do:**

- Win a gold medal in the Olympics
- Become a movie star
- Be elected to Congress
- Become a millionaire
- Be an astronaut and spend a week at the International Space Station

8) **If you could have dinner anywhere within 25 miles of your home (including eating at home), where would you go and what would you eat?**

9) **If you were choosing a way to serve others, which of the following would you most likely do?**

- Give blood to the Red Cross
- Volunteer at a homeless shelter
- Donate money for medical research
- Go on a mission trip to another country
- Work as a volunteer at the local animal shelter

10) **If you could win any one of the prizes listed below, which would you choose?**

- Three-day cruise to Mexico
- One week at a health spa
- High-density flat-screen TV
- Four front-row seats at a concert by your favorite musician/band
- Unlimited Starbucks coffee for a year (for you only)

Once everyone has answered the questions, each member of your group or family will need to guess one other person’s answers. You can put everyone’s name in a hat or bowl and draw names, or have each person guess the answers of the family member or group member sitting to their left. If you have less than four people, or plenty of time, you can even guess everyone’s answers.

Use a second If You Know Me, You Will Know... game sheet to record your guesses. Or you can use your own sheet and mark your guesses in a different color, or write the other person’s name next to your guess.

Finally, go around the room and have each person share their answers for themselves. How many did you guess correctly? Write the number below. If you were close but not exactly right on a guess, have your family or group decide whether you should get a point, a half point or no point.

Number of correct guesses _____
