## The More They See, the More They Eat

(Are you enticing your child to overeat?)

Up until about age 4, children usually eat enough to satisfy their hunger, then stop. But as they get older, they tend to start ignoring what their stomachs tell them and eat according to other influences, like what they are served. Help keep your children from taking in more calories than they need by watching how much food *you're* dishing out and by using small, lunch-sized plates rather than dinner plates.

## HVAC Update

After a week delay the church received three bids for our heating and cooling renovations and additions. The bids are currently being evaluated by the Engineer and will be passed on to the committee and eventually to the Deacons and then to the church. We will keep you updated and hope to have the work starting in the near future. Our fund continues to have contributions to it for the funding of update.

## Columbarium

We continue to offer for purchase Remembrance Plaques for the price of \$300.00 per plaque and Niches for \$1,500.00. The Columbarium committee has committed to holding these prices through the year 2006, but is anticipating an increase the first of 2007 contingent upon Church approval. The Plaques can have one or two names of individuals you would like to remember. The Niches can hold one or two cremains. The price includes engraving and the ongoing maintenance of the Columbarium.

## News from the Attic Day Trip to Concord Mills

Wednesday, 6/28 10:00 a.m.

The youth will be heading down to Concord Mills for a day trip. Youth will have the option of simply shopping around, or trying to beat Steve and Phil at Nascar Speedpark. Since this is virtually impossible, youth will be given unlimited cart rides for the day if choosing this option. Afterward, we will be visiting McGill Baptist Church for a spaghetti dinner. Not just any spaghetti either! This is famous Ayers spaghetti (well just famous within the family)! The shopping option is free while the Nascar option is \$15 for unlimited rides. Please let Steve know by June 25 if you are going so that reservations can be made.

## Vacation Bible School

July 16—20, 2006

2 year olds—5th graders

5 days! 5 Countries!

Children will “visit”,

**Mexico      Brazil      Poland**  
**China        Kenya**

Trading Places ... Where Jesus make a world of difference

“For God so loved the world....” (John 3:16)

So, pack your duffel bags and bring your cameras! Make sure you have your passports and visas! It's time for an exciting adventure as you encounter kids from all over the world. You'll learn what it would be like to “trade places” with them. And along the way, you'll study some awesome Bible stories about people who really did trade one place in life for another and learned that no matter where you are, Jesus makes a world of difference!

Thank you so much to all of you who have committed your time and energy toward our Vacation Bible School this year.

If you have items from the countries we are studying and would like to lend them to us for our VBS, please bring them to the church office.
