Toddlers & 2 Year Olds - Kathy Philpott and Aldon Holton
3 & 4 Year Olds - Margaret Ann Maddox and Caroline Garrett

New 2008 Church Directories

After two proof directories our new directories have arrived. Everyone that had their picture made also has a new directory. They will be available in the church office and on Sunday mornings and Wednesday nights for you to pick up. We were also able to obtain an over print and if you did not have your picture made and would like a directory you may also pick one up. We do request one per family. Thank you for your participation and patience as the pictures were made and the directory published.

Follow This Eastern Beverage Wisdom

The land that brings us giant pandas, the Great Wall, and amazing cuisine also serves up a mean cup of prostate protection.

Yep, green tea - long touted by the Chinese for its medicinal benefits - could cut a man's risk for prostate cancer by half. How much do you need to drink? In a study, men who drank 5 or more cups of green tea per day had half the risk of advanced prostate cancer compared with men who sipped less than a cup a day.

Another way to keep the prostate healthy: Avoid a diet high in saturated fat and include plenty of fruits and veggies in your diet.

PROJECT UPDATE

Volunteer Form Deadline

Please complete and return all forms to the church office by Sunday, March 2. Due to the size of this year's volunteer group it is necessary that every individual participating complete a separate Volunteer Registration Form. Please also indicate your lunch plans on this form before remitting to the church office. Payment for lunches due in advance so that no money need be collected on the 19th.

Collection Needs

Several of the TDCWL projects require the added support of donations of specific items. Donation boxes have been placed inside the Fellowship Hall and we invite you to help support client needs through contributions of the following items:

- * Hygiene Kits for Welfare Families: toothbrushes/toothpaste, soap, deodorant, shampoo, diapers, washcloths, sanitary napkins, detergent, dishwashing liquid, disinfectant cleaner and dish towels.
- * Foster Care Babies: diapers, baby wipes, disposable diaper bags and small blankets.
- * Pet Care: dry/canned cat and dog food
- * New or Gently used Clothing: for youth ages 11 - 15
- * Fleece Fabric measuring at least 1 1/4 yards x 60" to make blankets.
- * Children's pattern materials for quilt making

Project Leaders Needed

At this time over 70 project needs have been identified in our community - - many needing a project leader/facilitator. Please share your talents and gifts.

We hope you will join us on April 19 as we serve *to Glorify God, help the needy and build Christian fellowship.*
