Prayer Assignment First Baptist Church of Lexington

Your prayer assignment as a church is to pray for the clients that will benefit from the ministry of TDCWL. Pray earnestly that their needs will be met through the projects and that they will be touched by what we do. Pray that relationships between these people and God may develop and/or strengthen through this ministry. Pray that they will receive the care that they need and that they will feel the presence of God's love in their lives. Pray for our county agencies because their ministry is vital to ours. Pray that April 19th will only be the beginning of something big.
