Purpose

The Exploring RPC Class is designed for anyone who wishes to learn more about Roswell Presbyterian Church.

We encourage visitors, prospective members, and new members to attend the class to obtain information about RPC, about being Presbyterian, and about opportunities to get involved. We also welcome current and long-time members to the class if they wish to discover new ways to become more involved in the life and work of this church.

Location and Schedule

The class takes place each month throughout the year in the Fireside Room (in the Sanctuary Building on the main level).
