

The Men of RPC present...

**Regi
Campbell**
"About My Father's Business"

**Sunday March 9 8:15 a.m.
Breakfast in the Fellowship Hall**

James R. (Regi) Campbell is an experienced investor, entrepreneur and author. Since 1997, when he created *Seedsower Investments*, he has helped launch eight start-up companies, all service businesses with an emphasis in technology.

Since committing his life to Christ in 1983, Campbell has intentionally sought to make a difference for God's kingdom in the marketplace. God uses his transparency and his willingness to share both his successes and failures to move audiences to *"get in the game"* for the kingdom of God as they go about their business Monday through Friday.
