

Musical Motion class is offered to 3's, 4's, & young 5's once a week.

Many activities are experienced: eye hand coordination (*ball skills with all types of balls: golf balls, tennis balls, soccer balls, basketballs*) all gross motor movements (*running, jumping, hopping, etc.*) games, stilts, scooters, and parachute fun.

Our computer lab is for our older 3's, 4's, and 5-year old classes. Age appropriate computer programs enhance your child's learning experience. Each child will participate once a week. A parent volunteer is needed to assist with this program.

Morning and afternoon carpool (*drop-off and pick-up*) are part of our program. Teachers are present to help the children in and out of the cars and to and from their classrooms. Each family will receive a carpool number for pick up. Everyone is strongly encouraged to use this service due to the lack of parking available, as well as, the safety of the children.

Our Preschool day is 9:15 a.m.-12:15 p.m. Monday through Friday. An optional extended day (*see Peanut Butter Bunch*) is offered for our 2,3,4, & young 5's from 12:15-1:15 p.m.

At Roswell Presbyterian Preschool your child is treated and respected as an individual. Each child is encouraged to develop as a whole person - spiritually, emotionally, socially, cognitively, physically, and creatively. Self-esteem and self-confidence thrive in our developmentally appropriate program.

Our Preschool program is available for 18 months-4 years old (by September 1). Each class is designed to meet the developmental needs of your child. "Learning thru play" is our way! Many steps are taken to ensure the highest quality early childhood program for your child.

This class is designed for children who have turned 5 before September 1 and those who will be 5 before February 1. A certified Kindergarten teacher will use an advanced and unique curriculum where all reading, writing and math skills are taught in a motivating way. The children will not realize they are learning! Several off campus and on campus field trips will be taken to provide more learning experiences.

Monday & Thursday

9:15 a.m.-1:15 p.m.

Tuesday, Wednesday, Friday

9:15 a.m.-12:15 p.m.

Our program is a ministry of Roswell Presbyterian Church. Children in our program flourish in a loving, nurturing Christian environment. An age appropriate chapel time is offered each month to our 3, 4, and 5 year olds. The daily classroom curriculum is a Christian based one.

An optional lunch program is offered for our 2-5 year olds three times a week. Children enjoy bringing their own lunch, eating and socializing with their friends. This is the children's favorite time of the day!

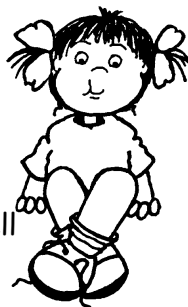

Monday, Thursday, Friday

12:15-1:15 p.m.

The staff of Roswell Presbyterian Preschool and Kindergarten is made up of Christian teachers trained in early childhood education and diversified in age, experience, and interests, who provide a rich collection of talent, care, and expertise. A majority of our staff has been part of the program for five plus years.

You can be confident that safety is a priority at Roswell Presbyterian. Every effort has been made to assure the safest environment for your child. Strict departure policies are part of our program. Only one door remains unlocked for entry into the building, which is monitored by the office.

There are many opportunities for parents to be involved in our program. The Parent Auxiliary is an active organization that supports our program, as well as, unites families in our school. We encourage parental involvement in all areas! Our active parents make a difference at RPP.

A trained and educated Music teacher provides a music program designed specifically for each age group. Children experience a broad range of music in a variety of forms. The children engage in music thru vocals, instrumentals, rhythms, and movements. Every child has music class once a week.

Children love art! All ages attend art class once a week. They will experience different forms of art - from learning about and painting like Vincent Van Gogh to making their own paper. You will be amazed at the artist your child becomes.
