CDS's size works well – it's intimate yet large enough to have a wide range of interests so that you're likely to find others who share your particular interests and hobbies. CDS is single friends doing interesting things together.

The warm days of summer have meant great summer time fun for Christian Directed Singles. CDS started off July with a BANG by going to Hudgens Park in Duluth July 3rd for their Independence Day celebration complete with patriotic music and fireworks. July 4th, some baseball fans took in a Braves game and their post-game pyrotechnics. The Saturday following, a group carpooled to Clayton County to take in Jonesboro's Southern Belles and Whistles Tour. Puccini's La Bohème was a must-see for a couple of diehard opera fans on the 14th. The Gwinnett Symphony's Concert on the Green in Duluth on July 16th was well attended, but cut short when it rained on their parade. The next night it was Phantom of the Opera at the Fabulous Fox in downtown Atlanta that some folks found attractive, and on the 23rd other members enjoyed the Atlanta Symphony playing the music of Broadway in Alpharetta. July 25th it was a night of good times and great fellowship at the monthly social at Abbot's. Great times with a great group and great friends.

Christian Directed Singles is sponsored by **Christ the King Lutheran Church**, a member congregation of the Evangelical Lutheran Church in America, located at the corner of Spalding Dr. & Peachtree Parkway.
