

SOUTHERN CALIFORNIA DISTRICT BIBLE QUIZ
2007-2008

Bible Quiz (BQ) is a great opportunity for the young person of your church to get into the Word. The district BQ programs offer a structured team competition format as well as in-depth study of God's Word.

The purpose of the BQ program is to –

- 1) Encourage, by systematic study, an in-depth understanding of God's Word among young people;
- 2) Motivate youth to memorize and make daily application of the Word;
- 3) Cultivate, through competition, a proper attitude toward winning and losing;
- 4) Provide opportunity for discipling to take place among youth so that they will reflect the Spirit of Christ in attitude and action; and
- 5) Provide, through travel and competition, opportunities to expand Christian friendship.

Monthly tournaments offer both competition and fellowship with young people from other churches. Team practices allow each church to create a discipleship/small group program catered specifically to the needs of their students. Further, teams across the nation compete on a regular basis in local, regional and national tournaments.
