alternate no. 559.733.9070

What You Need To Know:

This Kids' Convention will be different this year from past years. Where we had inflatable carnival style games we will instead feature a high energy program called **KidzMax Live**. This is a very interactive high energy program that your kids will love. Then we will break for lunch and then have a concert featuring **pureNRG**. This will be a great opportunity to bring a lot of kids.

Adults must accompany your students. Each church is responsible to provide its own direct supervision of students.

A background check is not necessary for your adults for this event however we strongly advise you to bring adults who have been cleared by your church to work with students.

Food for lunch is your choice. The church will provide a small lunch for purchase on the day of the event or you can choose to have your kids bring a sack lunch or go off campus to get lunch. Lunch is your responsibility.

Early registration price can be taken advantage of when you register your group and pay prior to the date listed. Faxed document will not be accepted for early registration without actual payment received at the address listed.

You can add on to your group registration at the early price if your documents have been received by the cut off date.

Doors will open at 10:00am for seating. Event begins at 10:30am and will conclude at 2:30pm.

All ages are welcome.

Send one registration form for your entire group and one check payable to SCDC. Mail it to the address on the registration form. Do not mail it to the district office.

*** DO NOT CALL SOUTH HILLS CHURCH REGARDING REGISTRATION INFORMATION.**
