All credential applicants are required to complete a one-day Ministry Orientation and Training Seminar. Ministry Training Seminars are for applicants who have **submitted and/or completed** the official application process.

During the seminar, you will be introduced to the Executive Officers and Department Directors for the Southern California District. You will also become acquainted with policies, procedures, and practicalities of ministry.

The seminars are held twice annually in March and September.

- > Attendance is **MANDATORY** for new credential applicants or an upgrade applicant if originally credentialed in another district.
- > Spouses are **strongly** urged to be present for this seminar.
- > Failure to attend MTS may affect the renewal of your credential.
- > Ordination applicants will only attend MTS in March in preparation for the Ordination Service at District Council.

Location: District Office

Time: 8:45 a.m.
