Jewels 4 God – Global Teen Challenge – Tim & Michelle Zello \$25,000
This ministry provides practical training in making quality handcrafted jewelry to marginalized women and men overseas who have been rescued from the bondage of addiction, the horrors of human trafficking, and death. Our investment in this ministry will provide initial training for women’s centers at **2** locations - **Uzbekistan and Siberia**.
In these cultures, drug and alcohol abuse contribute to the death rate exceeding the birth rate. Furthermore, women in many ways are considered a piece of property that someone owns, a dowry must be paid before a man will marry – the woman is sold; little or no understanding of what self-worth means - not knowing that she too is special in God’s eyes. The Jewels 4 God training will empower women through learning a vocational skill while providing an income for the women’s centers to become self-sustainable.
