

THE UPDATE

SPRING 2011

THE HISTORY

A new milestone has been reached on the path of renovation and updating of UPC's facilities. These renovations will enhance our ability to meet both current and future needs.

2011 - University Presbyterian Church Session approved two million dollars for Capital Campaign construction. This amount provides the opportunity for us to make the full scope of the changes presented by our architects.

THE PLAN/ THE PROGRESS

Construction is expected to start in the fall of 2011, with architectural and contractual details well underway at this time.

THE PLEDGE

As we strive to meet our two million dollar goal, your support and commitment are vital to our success.
