Whatever Town, TN 37064

Mr. Smith:

This letter serves as an acknowledgement of your gift to the Tennessee Baptist Convention. We received from you the following property on 9/1/05:

One (1) Troy-Built 5550 Generator

Tennessee Baptists appreciate your generosity in making this contribution of property to assist in the disaster relief efforts for the victims of hurricane Katrina in Louisiana and Mississippi.

You will need to keep this acknowledgement with your tax records so that your donation of noncash property can be reported as a charitable contribution on your 2007 Federal Income Tax return. Please seek the advice of a CPA or tax attorney for the correct reporting of this donation.

No goods or services were received for this contribution except intangible religious benefits.

Again, thank you for your donation.

Sincerely,

Deborah A. Taylor, CPA
