Local Churches Receive Awards for Mission Giving

The response of three of Hamilton County's churches has brought awards for their giving to Southern Baptist mission causes. We congratulate these churches and commend their mission support. We are grateful for the support that all of our churches provide for these mission causes as well as local association missions.

Attending all sessions is required to receive NAMB certification. For additional information, call 267-3794.

Based on the information given to our office, the Annual Church Profile, otherwise known as the ACP and formerly known as the Uniform Church Letter, has been mailed to the person indicated by each church.

Please carefully read the instructions in the packet regarding entering the information for the Tennessee Baptist Convention using the internet. Please mail the association office a hard copy of your final copy. Mail to: 508 North Market Street, Chattanooga, 37405
